Kurzbeschreibung Lieutenant Evan Arden sits in a shack in the middle of nowhere, waiting for orders that will send him back home - if he ever gets them. Other than his loyal Great Pyrenees, there's no one around to break up the monotony. The tedium is excruciating, but it is suddenly interrupted when a young woman stumbles up his path. "Its only 50-something pages, but in that short amount of time, the authors awesome writing packs in a whole lotta character detail. And sets the stage for the series, perfectly." -Maryse.net, 4.5 Stars He has two choices - pick her off from a distance with his trusty sniper-rifle, or dare let her approach his cabin and enter his life. Why not? It's been ages, and he is otherwise alone...
