RECOMMENDEDVon jeanne adamekI loved it! This story had everything that I need to have a fantastic reading

experience--A great main character, a story that makes sense, and a community I wouldn't mind belonging to. I liked all the "Cat in the Stacks Mysteries", but liked this one best--the story just flowed and I found myself not being able to stop reading...

Kurzbeschreibung Librarian Charlie Harris and his cat Diesel must content with some spirited southern ladies when a feud ends in murder in this mystery in the New York Times bestselling series. The Ducote sisters are in a tiff with Vera Cassity over the location of Athena, Mississippi's annual library fundraising gala, and Charlie would rather curl up in a corner than get into the fray. It seems everyone even his housekeeper Azalea has it in for Vera. And at the gala, she gives them good reason, with a public display of rancor aimed at anyone who gets in her way. But those bitter words wind up being her last. When Charlie discovers Azalea standing over Vera's dead body, it's up to him with a little help from Diesel to clear Azalea's name, and catch a killer before his last chapter is finished. Pressestimmen Praise for the New York Times bestselling Cat in the Stacks Mysteries Courtney librarian Charlie Harris and his Maine Coon cat, Diesel, are an endearing detective duo. Warm, charming, and Southern as the tasiest grits. Carolyn Hart, New York Times bestselling author of the Death on Demand Mysteries Combines a kindhearted librarian hero, family secrets in a sleepy Southern town, and a gentle giant of a cat that will steal your heart. Lorna Barrett, New York Times bestselling author of the Booktown Mysteries Ideal for Christie fans who enjoy a good puzzle. Library Journal [A] pleasing blend of crime and charm. Richmond Times-Dispatch James just keeps getting better and better... It's an intelligent read, so well-written that I couldn't stop reading it. Every single time I turned out my light for the night, I found myself thinking about the story, flipping the light switch again and reading just one more chapter.
