Von Shannon McKenna : Out Of Control (The Mccloud Series) before purchasing it in order to gage whether or not it would be worth my time, and all praised Out Of Control (The Mccloud Series):

KundenrezensionenHilfreichste Kundenrezensionen6 von 6 Kunden fanden die folgende Rezension hilfreich. Raw, wild and fascinating!Von CassandraThe third book featuring the McCloud brothers after "Behind Closed Doors" (Seth Mackey's story where the McClouds are introduced) and "Standing in the Shadows" (Connor McClouds story).As always Shannon McKenna delivers a passionate story full of raw energy. Her dialogue is direct, sassy and her writing style to the point. No hidden meanings or nebulous descriptions here. Yet she manages every time to get deep into her characters heads and hearts, pulling out hidden desires and secret yearnings.Davy is an alpha male to the bone, trying to control his life and everything in it. His actions may alienate some readers. But you always get to know why he acts the way he acts. And Margot is no sissy. She can hold herself with him even if he bulldozes over her sometimes. She's

a strong character, never whining or complaining which I liked very much. The story is action packed and intriguing from the beginning and the chemistry between Davy and Margot burns up the pages! If you like passionate and very HOT (!) stories with an uncut and yet defined feel to it you found the right author. I highly recommend this book and Shannon McKenna in general!!

Von Book Lover Margot ist auf der Flucht vor dem Gesetz: sie wird verdächtigt, ihren Partner sowie seine Geliebte getötet zu haben. Als dies nicht genug ist, wird sie auch noch von einem Stalker belästigt. In ihrer Verzweiflung wendet sie sich an Davy, den ältesten der McCloud-Brüder. Kann er ihr helfen? Hat sie tatsächlich den furchterlichen Mord begangen. Gibt es ein Happy-End? Der Plot und die Hauptpersonen sind auch in diesem dritten Band der "McCloud Friends" Serie wie gewohnt. Er ist ein starker Vertreter des männlichen Geschlechts, sie wird als typisches stereotypes Weibchen beschrieben. Gott sei Dank widersetzt sich Margot hier und da Davy und sorgt so für etwas Spannung. Der Plot muss nichts weiter gesagt werden. Wer einen Teil der Serie gelesen hat, hat den Handlungsablauf intuitiv. Was jedoch interessant ist, sind die McCloud-Brüder. Einfach toll - abgesehen von einigen kleinen Mängeln, die sie menschlich erscheinen lassen. Auch in diesem Band gibt es Sex en masse. Nicht unbedingt schlecht, zumal sich die Autorin diesbezüglich einigermaßen beruhigt hat und die entsprechenden Szenen nun guten Gewissens (nur noch) als gewagt und prickelnd bezeichnet werden können. Kein Vergleich zu den entsprechenden Darstellungen in "Standing In The Shadows", die wohl von Bchern anderer Kategorien inspiriert waren.

Von Ein Kunde Shannon McKenna is one of my favourite authors!! Her books have everything I love, great romance, action, sex, adventure and recurring characters one can really care about! This book is no exception! Margot is on the run from the law, accused of murdering her ex-lover and his mistress! She's also the object of obsession of a creepy stalker who has now found her! Enter the McCloud brothers! Margot gets referred to Davy who runs a PI business and who wants to help her. BUT he knows she's hiding something and wants her to tell him and she's afraid that once he finds out she's a wanted woman he'll turn away and not help her! Little does she know that the McCloud family is no stranger to criminal activity and false accusations from the police!! The pair are also wildly attracted to each other but they do have some problems! Davy knows he's got a saviour complex and is scarred by his past and doesn't believe in true love and Margot believes all Davy wants is a brief affair in return for his help with her troubles. The pace is fast as the two try to find the stalker and clear Margot's name as well as learn to trust each other and fall in love. A fast and furious read with lots of passion and action and some fun!! Also we catch up with the characters from the earlier books! And I can't wait for Nick's book, I so hope it will be next!!

Kurzbeschreibung In Behind Closed Doors and Standing in the Shadows, Shannon McKenna introduced the McCloud Brothers: intense, rugged, and super-sexy. Now, Davy McCloud is about to meet a woman he can't trust--or live without. . . Disillusioned P.I. Davy McCloud has an ironclad rule: never follow blind impulse when it comes to women. But he breaks it the instant gorgeous Margo Vetter shows up to teach at the gym next door. The sexual hunger--and the instinctual protectiveness--that she awakens is much too strong to resist. Broke and on the run, framed for a murder she didn't commit, Margot has no one to turn to but Davy McCloud. But the closer he comes, the more Margot discovers that holding back--or hiding--from this enigmatic, powerful man is impossible. In every way. . . Then passion flares with unexpected intensity. But Margot's past has finally caught up with her, and life is about to get more than complicated. It's turning deadly. . .

Pressestimmen "An intensely emotional romance heightened by a dark, intricate plot makes Standing in the Shadows a page turner you won't want to miss."
