Von Missy Johnson : Out of Reach (Love Hurts Book 2) (English Edition) before purchasing it in order to gage whether or not it would be worth my time, and all praised Out of Reach (Love Hurts Book 2) (English Edition):

KundenrezensionenHilfreichste Kundenrezensionen0 von 0 Kunden fanden die folgende Rezension hilfreich. 5 Bittersweet Stars!Von NinaI have been warned. Several times. By blogs. By reviewers. By teasers hell, even the blurb indicated that OUT OF REACH is a tear jerker. It also should mean something if even the author has to cry while writing it!It is not a secret that someone is going to die in this book. Thus you may assume that you are prepared, you

know it is going to happen no matter what. But you get attached anyway. And you get gutted. Badly. At least that is what this book did to me! I lost count of the times I sat there with tears in my eyes, blurring my vision. OUT OF REACH is the story of three best friends: Emily, Andy and Seth. It is a story about beautiful and pure love that kind you don't find really often. Andy knows that he is dying that cancer is finally taking him away from Emily, the love of his life, and his best friend, Seth. He has accepted that he won't live that much longer. But he is determined to make sure that Emily is taken care of before he leaves. To accomplish this he takes the two persons closest to him on a trip on which he wants to work on his bucket list. Tormented by his advanced disease already, he lives out all these activities through Emily and Seth. The reason for his trip is simple: He does not want them to remember his last days as him being sick and suffering, but being happy and enjoying life with his beloved ones. There might be another motive though: To subtly push Emily in Seth's direction. But how can Emily possibly move on with Andy still being there? For Seth it is not easy at all to be around Emily day and night: He has loved her ever since he first met her, but valuing his best friend and Emily's friendship over his own happiness, he never made a move on her. How can he not feel bad about enjoying to spend time with his dying best friend's girlfriend? I loved Em, Seth and Andy! The love that Andy has for Emily stunned me it seeped through every pore of him, so pure, so true! I cannot believe Missy Johnson let him die! Being loved by two men so dearly, Emily really is a lucky girl if there was not all this tragedy. Although the theme of death is always present throughout the story, it is a story that will make you smile and even laugh. It shows that moving on after losing a dear person is possible, but that it never means that this person has to be forgotten, he or she still lives on in your heart. Grab your tissues and start reading OUT OF REACH! It is an emotional and heartbreaking yet wonderful story that you should not miss out on!

Kurzbeschreibung Andy and I had been best friends since we were eight-years old. Watching him slowly fade away, ever closer to his final breath, made me so incredibly angry. I knew there was nothing I could do to change it--I had given in to despair, but Andy had not. He had one last hand to play. He wasn't going to simply sit back and wait for Death to claim him--not Andy. He was going to live life until he couldn't hold his eyes open any longer. Andy didn't want to die in some sterile hospital and asked me to take him and Emily to the beach. It would be our last road trip together. Emily. Emily was a problem for me. I harbored a secret that would have torn our friendship apart. I was in love with Andy's girl, and had been since she'd walked into our sixth grade class, so many years ago. So what kind of person am I? My best friend is dying, and it's awful--but my heart still aches for his girl. I hate myself for thinking beyond Andy's death and whether there could ever be a future for Emily and I, but I can't help it. I'm in love with her.*** All books in the Love Hurts series are standalone novels that can be read in ANY order.*** Pre order book 4, Don't Hold Back for \$2.99 and SAVE \$2.00: <http://a.co/7Eui9hp>*** Get Always You for 99 CENTS: <http://a.co/3nYdQSa>*** Get Words Left Unsaid ON SALE for \$2.99: <http://a.co/2NkwIrT>Kurzbeschreibung Andy and I had been best friends since we were eight-years old.
