Von Carter Quinn : Out of the Blackness (Avery Book 1) (English Edition) before purchasing it in order to gage whether or not it would be worth my time, and all praised Out of the Blackness (Avery Book 1) (English Edition):

KundenrezensionenHilfreichste Kundenrezensionen1 von 1 Kunden fanden die folgende Rezension hilfreich.
WonderfulVon QuerleserAvery, who was abused first by his mother, stepdad and stepbrothers, then by the taller boys in foster care and recently he was beaten up by one of these boys all grown up now. So no wonder he considers

himself as the punching-bag of the univers, doesn't have any self-esteem at all and is afraid all the time, mostly of men especially tall men.Noah, broad-shoulderd and oh so tall, meets shy Avery and wants to be friends with this cute, little man, who bashfully and frightened tries to avoid him.Noah is not only intelligent, but stubborn. He doesn't give up and slowly gets Avery to trust him. But more than friendship is impossible for a man like Avery, isn't it?The slow development of their friendship, the description of Avery's fears, his inner monologues are really heart-warming. It's wonderful to see how Noah just understands how to treat Avery. And Avery's friends are lovely, too, though Avery himself isn't quite sure if they are his friends - the reader knows.A wonderful story of a young man with lots of problems who slowly regains control of his life and accepts that he is not only worth to live, but to be happy.1 von 1 Kunden fanden die folgende Rezension hilfreich. Magical, full of love and affectingVon AndyI've read a lot of gay books already, but this one really made it to my heart. It's about this wonderful turn in Avery's life grateful to Sam and Noah. Heart-touching and something I won't forget! Worth every minute of reading. Even though, with all it's sadness, it is indeed funny as well. There are a lot of giggle-moments.1 von 1 Kunden fanden die folgende Rezension hilfreich. HervorragendVon ManPitWow....bin hin und weg von dem Buch. Avery's Vergangenheit ist schrecklich, Herzscherzmerz fr den Leser. Schritt fr Schritt kmpft er sich, dank Carter zurck ins Leben. Jaaa, klingt schrecklich schnulzig, ist es aber nicht. Hervorragend geschrieben und nur Empfehlenswert

KurzbeschreibungA childhood of abuse has left Avery so physically and emotionally scarred he believes he shouldn't be alive. His only sanctuary has been his relationship with his older foster brother Sam. Avery finally lets Sam convince him to start therapy to help overcome his crippling anxiety, but even that can't prepare him for the upheaval caused by meeting Noah Yates.Noah is everything Avery fears. He's large and physically powerfuland undeniably capable of destroying Avery's hard-earned progress. Although Noah seems to have a tender streak when it comes to him, Avery is terrified of being victimized again. But no matter how many times he tries to push him away, Noah never goes far.Noah wants to save Avery, but can he be the catalyst Avery needs to begin the journey out of the blackness?KurzbeschreibungA childhood of abuse has left Avery so physically and emotionally scarred he believes he shouldn't be alive. Because hes contrary by nature, upon graduating high school, he went East, young man, hoping to find more people like him (shh: the gays!). After stints living in places as different as Omaha, Nebraska, and Ft Lauderdale, Florida, he settled in Lawrence, Kansas, and attended the University of Kansas (Rock Chalk!). Although he still bleeds (Crimson and) Blue, Carter recently relocated to Colorado where he can be closer to his beloved Colorado Avalanche. He is the paw-picked human companion of the sweetest dog on the planet, a Beagle-surprise mix named Yashe.
