Von Jaime Rush : Out of the Darkness (The Offspring) before purchasing it in order to gage whether or not it would be worth my time, and all praised Out of the Darkness (The Offspring):

KundenrezensionenHilfreichste Kundenrezensionen0 von 0 Kunden fanden die folgende Rezension hilfreich. Second in seriesVon Helen HancoxThe 'Offspring' series has its moments of novelty and I did enjoy reading this story. It followed on fairly closely from the previous book, 'A Perfect Darkness', and I wonder if a reader who hadn't encountered the previous book might struggle with what's going on.Anyway, in this story a few weeks have passed since the events of the first book and the attention shifts from Amy and Lucas, two of the 'Offspring', to a young woman, Zoe Stoker. Zoe is a tattoo artist with her own shop who tries to live a quiet life despite a problem - when she

gets emotional or angry, objects fall over or move. She knows she has some kind of telekinetic ability but tries to cover it up. When Zoe realises she is being watched, thus begins a huge change in her life as it's turned upside down by a group of people known as the Offspring who, like her, have strange abilities. Rand Brandenburg, one of the Offspring, is just passing through, yet Zoe finds herself drawn to him. She knows there's no future with Rand, he doesn't want any entanglements, but as they learn together about the situation of the Offspring, and about the enemy they face, they may find that there are ties binding them that are stronger than they might have expected. There's quite a lot of action in this book, although there are also parts where the pace flagged a little. The characters from the previous book continue to develop, although I can't work out if Eric Aruda will ever be a 'hero' of a later book. I wasn't always convinced of the likelihood of their continual escapes, plus I got a bit confused about who was related to whom as their parents' stories are discovered, but overall this is a reasonable read. There are clearly other books to come in the series so this story had many unfinished threads. I like it Von Cornelia Wollersheim Out of the Darkness ist die Geschichte ber Rand und Zoe. Beide sind Offspring. Rand kann 10 Sekunden in die Zukunft voraussehen und Zoe hat eine telekinesische Gabe. Sie lernen sich kennen, indem Rand Zoe zuerst einmal angreift und auf den Boden wirft, weil er sie fr einen Feind hlt. Diese Feindlichkeit hrt aber sehr schnell auf und wandelt sich in das Gegenteil. Beide sind extrem unabhngige Figuren, die keine Familie haben. Der Gedanke sowohl einer Gruppe, als auch einem Partner anzugehren, ist fr sie schwierig. Klappt aber. :-) Auch dieser Band hat mich sowohl fasziniert, als auch gefesselt. Sehr spannend und sexy.

Kurzbeschreibung Out of the Darkness is the second book in Jaime Rush's sexy new contemporary paranormal romance series. Rush, the author of A Perfect Darkness, tells the story of the Offspring, children of a mysterious experiment gone awry who have been blessed and cursed with unusual powers . . . and who are in terrible danger. Kurzbeschreibung Out of the Darkness is the second book in Jaime Rush's sexy new contemporary paranormal romance series. Rush, the author of A Perfect Darkness, tells the story of the Offspring, children of a mysterious experiment gone awry who have been blessed and cursed with unusual powers . . . and who are in terrible danger. Buchrckseite They live ordinary lives, but they are extraordinary. They are the Offspring, children of a mysterious experiment gone awry and they are in terrible danger. Rand Brandenburg can see the future, yet thus far all he has done with his unique ability is become a skillful gambler. But according to the Offspring, his power has made him a target and could get him killed. So the loner used to living on the edge is now hiding out with others just like him, including Zoe Stoker, a mysterious redhead who has his heart soaring. But that's not the only thing Zoe's got flying. All her life, whenever she felt anything too intensely, objects would start moving. She's never been able to control her power, so instead she's shut down her emotions. Now, as a powerful enemy approaches, she's losing control of her heart. But letting love lead her out of the darkness might save her life . . .
