Von Lori Foster, L. L. Foster, Erin McCarthy : Out of the Light, Into the Shadows before purchasing it in order to gage whether or not it would be worth my time, and all praised Out of the Light, Into the Shadows:

KundenrezensionenHilfreichste Kundenrezensionen1 von 4 Kunden fanden die folgende Rezension hilfreich. 2 O.K., 2 so lalaVon kThe storys from Lori Foster and L.L. Foster are nice to read. The first story is about Mercedes and

Waytt and the second about Mercedes Brother Brax and Cameo. They are a little bit short but otherwise ok. The other 2 Storys from McCarthy are about Vampires. I am not into that kind of stuff so I am not the one to judge them! If I would have know that they are Vampires I wouldn't have bought this book.

Embrace the darkness and experience the light in this all-new anthology filled with touching stories of happily ever after alongside smoldering tales of irresistibly dangerous, otherworldly passion. From bewitching emotions and untamed desire to dazzling romance and tantalizing sensuality, these novellas explore the complex facets of the human heart-both the light side and the dark.
