ShawReviewed by:Stephanie JordanMs. Shaw has become the Queen of twists and turns then BAM there it is!! I love how she write, it's like she gets the juices flowing as your starving to get one more chapter.Devon Harris loved his family and had to save his little sister from the clutches of his step father. This evil man mentally abused Devon so bad his self esteem was shot when he heard his step father the Alpha Emmett was going to breed his half sister, Emily to another very bad pack, so they all could become allies. Devon knew they had to leave, so they snuck out, the twins, Emily and Vincent and his friend Marcus who cared for Emily, changing into there werewolves they ran.Lark Davies and her sister Sarah lived at the Harris Ranch since there parents were killed in an accident, There dad was friends with the Alpha Rick Harris so it only seemed right to help the girls. Lark inheritance bought a bakery. A very good business indeed.Alpha Emmett would not let go though he wanted Emily and he was going to get her.I was gifted this ARC for an honest and truthful review.

KurzbeschreibungDevon will do anything to protect his little sister from becoming a breeder, even if it means starting a war. After fleeing home in the middle of the night, Devon and his siblings seek refuge with his uncle. There he meets the fiery human, Lark. She is a temptation, one he cant afford. As battle lines are drawn, Devons alpha instincts take over, and he must fight to keep the ones he loves safe, especially the woman who has stolen his heart.Lark Davies has put her heart and soul into her bakery, The Cookie Jar. She doesnt have time for dating or a social life, but she is happy to spend her free time at the Harris Ranch. She knows the ranch occupants are werewolves, but they are family. When Devon Harris appears at the ranch, Lark instantly butts heads with him. Even if they cant seem to get along, there is something intriguing about him. Shes known werewolves have existed for some time, but she never knew just how dangerous their world was.
