Von J.D. Robb, Laurell K. Hamilton, Susan Krinard, Maggie Shayne : **Out of This World** before purchasing it in order to gage whether or not it would be worth my time, and all praised Out of This World:

KundenrezensionenHilfreichste Kundenrezensionen11 von 11 Kunden fanden die folgende Rezension hilfreich. Schne Unterhaltung von guten Autorinnen!Von SarlissiaEigentlich hatte ich das buch nur wegen der Kurzgeschichte von J.D. Robb gekauft und allein das macht den Kauf dieses Buches schn ntig. Wie immer ist man von der Geschichte voll auf

begeistert. Dann habe ich auch noch die anderen Geschichten gelesen und auch die machen wirklich Spaß wenn man auf eine Mischung aus Romance und Fantasy / Science Fiction steht. Alles in allem sind die Geschichten gut aufeinander abgestimmt und laden dazu ein auch andere Bücher der Autorinnen zu lesen. Für Laurell K. Hamilton ist die Kurzgeschichte von ihr allerdings nicht zu empfehlen, da sie lediglich einen Auszug aus *Narcissus in Chains* darstellt und man sich lieber den ganzen Roman kaufen sollte! 1 von 1 Kunden fanden die folgende Rezension hilfreich. weird but interesting sci-fi paranormal mix Von A. Schnorrenberger J.D. Robb - *Interlude in Death* I enjoyed this short story about Eve, Roarke and all the other known characters. It was indeed an interlude between full grown novels. But it was charming to have this short time period with Eve and Roarke. It had the same feel to it as the novels, just shorter. Liked it. Susan Krinard - *Kinsmen* This was a first for me. I'm not much into Alien things and don't read it. This time I tried to look at the alien people as just another "human" race and overlook the factor that this story is set in space. That way the story was an ok read. Nothing special. Won't read more of this author. Maggie Shayne - *Immortal* Quite an enjoyable short story up until the end. I don't like it when "souls" take hostage of someone else's body. And if that body even looks like the old, dead one from that soul it's even more absurd. I guess paranormal is not really, completely ever my cup of tea. :) I've decided against reading Hamilton's part of this anthology because it's not a complete story but an excerpt of a novel. Don't like reading those. Seems to much like advertising to me. And since vampires aren't my thing either I opted against reading this last "story".

Kurzbeschreibung Featuring a Lieutenant Eve Dallas novella and an Anita Blake, Vampire Hunter novella, this New York Times bestselling anthology of paranormal romance will transport you to a time and a place you've never been before. In J. D. Robb's *"Interlude in Death,"* Lieutenant Eve Dallas is forced to forsake duty to take down a rogue ex-cop at an off-planet police conference and save the man she loves. In Laurell K. Hamilton's *"Magic Like Heat Across My Skin,"* a kidnapping brings vampire hunter Anita Blake and the two men in her life closer than a woman, a vampire, and a werewolf have ever been before. Searching the universe for a missing ship, two telepaths lose themselves in each other's mind, body, and soul in Susan Krinard's *"Kinsman."* And in Maggie Shayne's *"Immortality,"* a man pulls a drowning woman out of the sea, a centuries-old witch with one last wish to share with him and one last hope. From the Trade Paperback edition. *Pressestimmen* Praise for the *In Death* series Robb is a virtuoso. *Seattle Post-Intelligencer* Its Law Order: SVU in the future. *Entertainment Weekly* From the Trade Paperback edition.
