**Von Paula Martinac : Out of Time** before purchasing it in order to gage whether or not it would be worth my time, and all praised Out of Time:

KundenrezensionenHilfreichste Kundenrezensionen1 von 1 Kunden fanden die folgende Rezension hilfreich. couldn't put the book down -- what a great read!!Von Ein Kundea friend told me about this book just this morning and the premise alone got me outside long enough to pick it up and spend the day reading. It reads so true-to-life, especially for those who have been haunted by other's pasts and sensitive enough hear them. Someone should consider making

this novel a movie -- each scene is vivid and compelling -- thank you Paula Martinac

KurzbeschreibungEscaping a downpour, Susan ducks into an antiques shop in Manhattan and discovers a scrapbook from the 1920s. She buys the book and her fate becomes inextricably linked with the four women in the photos. Richly atmospheric and featuring a memorable cast of characters, *Out of Time* is a delightful novel about history, love, and the persistence of passion.
