Von Cheryl Brooks : Outcast (The Cat Star Chronicles) before purchasing it in order to gage whether or not it would be worth my time, and all praised Outcast (The Cat Star Chronicles):

KundenrezensionenHilfreichste Kundenrezensionen0 von 0 Kunden fanden die folgende Rezension hilfreich. Can a broken slave be mended?Von Helen HancoxThis is the fourth in Brooks' 'Cat Star Chronicles' series about a group of

men from the planet Zetith who have been scattered around the universe after their planet was destroyed and who each find true love. Although similar in theme to the other books (particularly with regard to the physical attributes of our Zetithian hero), *Outcast* is somewhat different in that the hero, Lynx, has been badly emotionally damaged by his treatment as a slave. Much of the story involves him being incomprehensible to farmer woman Bonnie who has hired him to help out on her farm as she approaches the birth of her baby. When she discovers that a misogynist has been assigned to work for her she's rather disappointed, but over time as she gets to know Lynx a little better (although with a great deal of reluctance on his part), she begins to understand a little more about what makes him tick. He's also a very helpful chap around the farm. As with other Cheryl Brooks books, the action eventually moves to the bedroom where the marvels of Zetithian physiology come to the fore. I found this part of the book seemed rather abrupt, the transition from two strangers to two lovers seemed surprisingly sudden following a great deal of misunderstanding and miscommunication. The fact that both seem able to fall in love with each other early on when apparently they are so uncommunicative also seemed a little awkward to this reader; particularly as, having read the other books, this seems to be the pattern. Somehow the Zetithian men come across as rather simple chaps who will fall in love with anyone who is available; I never quite got the sense of fated mates who had found each other, despite the vastness of time and space. However there's a real upbeat and positive feel to this series, particularly how people whose planet has been destroyed and who have been scattered around the galaxy can find love and also find their old friends. It is a book that is enjoyable and interesting. Originally published for *Curled Up With A Good Book* Helen Hancox 2009

Kurzbeschreibung Sold into slavery when his planet was destroyed, Lynx was enslaved in a harem. He is a favorite due to his feline gene, which gives him remarkable sexual powers, but after ten years, Lynx is exhausted. Thrown out without a penny, Lynx is bitter and anti-female. He emigrates to a new planet but can only find a job with a female rancher. Bonnie's boyfriend has left with all their money and she needs help with the ranch. Lynx is cynical, but honest, and though he has made it clear that he wants no part of a romantic relationship, Bonnie can't resist him. She finds out about his impotence and becomes determined not to let such a beautiful and sensual young man go to waste. The fourth book in wildly popular *Cat Star Chronicles*, a paranormal romance series featuring heroes with a feline gene that gives them remarkable sexual powers. The *Cat Star Chronicles*: Slave (Book 1) Warrior (Book 2) Rogue (Book 3) *Outcast* (Book 4) Fugitive (Book 5) Hero (Book 6) Virgin (Book 7) Stud (Book 8) Wildcat (Book 9) Rebel (Book 10) Praise for Cheryl Brooks: "Brooks presents a nice futuristic story with some interesting worlds and Aliens in this *Cat Star Chronicles* offering. Fascinating world customs, a bit of a mystery and the relationship between the hero and heroine make this a very sensual romance... the hero is quite interesting, and the heroine a strong, independent woman." *The Romantic Times* "A compelling tale of danger, intrigue, and sizzling romance!" Candace Havens, author of *Like a Charm* *Pressestimmen* Ms. Brooks has a way of carrying the reader off into the stars where they discover worlds with amazing creatures and unique, exciting landscapes. -- Sandra "The Romance Studio" (05/06/2009) Cheryl Brooks has created a world full of varying species that seem to blend effortlessly and allows readers to feel like you could easily fit in amongst them. Besides what woman wouldn't want to find herself loved by a man who's every desire is to please his mate. -- Chrissy Dionne "Romance Junkies" (05/13/2009) The fourth novel in Cheryl Brooks' *Cat Star Chronicles*, "*Outcast*" will satisfy any one who is already a fan of this series and could possibly create a few converts. -- Jackie Morgan "Literary Escapism" (05/18/2009) I mean seriously, what's better than alien sex?!... I love the Zetithian race that Cheryl has created. They're captivating and sexy, not to mention loyal servants to those they love. -- Shawn Remfrey "Maymay's Memos" (05/19/2009) [T]alk about sizzling... the story was so good I would still recommend this book to other romance lovers. -- Debbie Suzuki "Debbie's World" (05/19/2009) Cheryl Brooks is at the top of her game with this excellent entry that will have her fans purring for more. -- Harriet Klausner "Genre-Go-Round s" (05/20/2009) Where else can you experience a man who purrs with such orgasmic results? It's a rich world and Ms. Brooks is making it better and better with each installment. I look forward to more. -- Xeranthemum "Whipped Cream Erotic s" (05/22/2009) Oh my God... this book is sexy... very different from any other romances I've ever read, no vampires or werewolves or the usual paranormal fair... more of a SciFi/Fantasy twist and I really Love it!! -- Amy Castellano "Chic Book s" (05/26/2009) It really is a series of which I have never read the likes of before. -- Nikki Heffernan "A Blog of Books" (05/27/2009) [F]ans of scifi romantica should love this one and if they haven't been following the whole series I suggest they get on it soon. -- Rhianna Walker "Rhi Reading" (05/29/2009) I can't say enough good about this series. It's just too much fun, full of imagination and did I mention the book is downright HOT? -- Marta Hoelscher "Marta's Meanderings" (06/03/2009) Not only can you see the chemistry between the two main characters but you get to watch their relationship develop out of mistrust and hurt and into the love and care many people would be envious of. It will not only draw you into the story, the journey will also captivate you as they find themselves and each other. -- Lyda "Bitten By Books" (06/04/2009) Ms. Brooks knows how to write romance but she's also an expert at conveying what it means to love! -- Kerensa Wilson "Crave More Romance" (06/08/2009) I enjoyed "*Outcast*". It hit me on an emotional level that the other books never did... The best in the series yet! -- Ames

"The Book Binge" (06/09/2009)[D]efinitely a great romance novel. I highly recommend it to anyone who loves romance and sci-fi books! -- Christine Plaisted "Books 4 Moms" (08/24/2009)"Ms. Brooks has a way of carrying the reader off into the stars where they discover worlds with amazing creatures and unique, exciting landscapes." - The Romance Studio"Cheryl Brooks has created a world full of varying species that seem to blend effortlessly and allows readers to feel like you could easily fit in amongst them.
