Von Meg Cabot : Overbite (Insatiable) before purchasing it in order to gage whether or not it would be worth my time, and all praised Overbite (Insatiable):

KundenrezensionenHilfreichste Kundenrezensionen2 von 2 Kunden fanden die folgende Rezension hilfreich. Sehr gutes Buch, etwas seltsames EndeVon AppleIch hab das Buch wirklich genossen, nur bin ich etwas traurig dass das Ende so entgltig ist und es daher auch keinen weiteren Teil geben wird- somit ist die Buchserie mit zwei Bnden komplett.0 von 0 Kunden fanden die folgende Rezension hilfreich. Legend of the OverbiteVon Hauke ReddmannDas Buch fllt m.E. gegenber seinem Vorgnger deutlich ab (und das, obwohles plotmig noch mal heftig knallt, gespoilert

wird nicht). Einzig und allein Humor (also echter, nicht gequilter oder gar unfreiwilliger) macht das Genred der Frauenmysterypornos lesbar, und da war "Insatiable" eine erfreuliche Überraschung. Hier schmalzt es zu sehr. ***

Kurzbeschreibung She is a master at entertaining and amusing readers. **Booklist** Nobody does vampires like Meg Cabot, #1 New York Times bestselling author of The Princess Diaries and Queen of Babble novels. Overbite is Megs sexy and hip sequel to her bestselling Insatiable, the story of a soap opera writer with precognitive powers who is recruited into the Vatican's war against demons and the undead. Unfortunately Meena Harper has a major Achilles Heel namely her lingering affection for her ex-boyfriend, Lucien Antonescu, son of Dracula, the prince of darkness. Anyone who loves Twilight, True Blood, and Lynsay Sands, not to mention the singleton fiction of Sophie Kinsella, Jennifer Weiner, and Jane Green, is going to want to sink their teeth into Overbite. **Pressestimmen** "Cabot, adored for her Princess Diaries series and Heather Wells mysteries, holds her own in the crowded paranormal arena, proving that she is truly a versatile, entertaining writer." - **Booklist** "No one quite brings the sexy-times like Meg Cabot. Especially when she takes on the world of vampires in Insatiable." - **Good Books Good Wine** "Cabot winningly applies her trademark likably fallible protagonists and breezy storytelling to a vampire war in New York City" - **Publishers Weekly**
