I'm happy that Todd Young is back!Von LenaRibkaGuys, I'm soooo glad that 6 years after Corrupted and 2 years after his last published book Todd Young is BACK!!!I'm soooo happy that THIS AUTHOR goes his own way and remains true to his CREATIVE style. IN SPITE of EVERYTHING.Just to let you know: there are only few authors who have their

own SHELF on my TBR, and Todd Young is one of them. NOBODY can write EROTICA so lustful, so unique, so different, so shameful SMUTTY, so stimulated dirty and at the same time so...innocent as Todd Young. It is not a story itself that makes his book to a special reading experience, but his characters. Honestly, I have no idea how old is Todd Young, but he is for sure older than his characters. Older than 18-20 year old or? But it is a very common problem with YA genre. People who write it are mostly older and you just feel it. You feel in the narrating that a middle age man or woman tries longingly to put her/himself into a teenager' mind-set. Todd Young don't need to PRETEND to be someone. He is THIS someone. His characters are real, they live, they breath on every page. THEY are young and stupid and naive and...romantically over-testosteroned teeny. I WANT MORE. I love his writing. Period.
