New OTHERLAND storyVon Olaf Keith"The Boy Detective of Oz" is Tad Williams' second OTHERLAND story (following "The Happiest Dead Boy in the World", 2003) that deals with the future adventures of Orlando Gardiner, the eponymous dead boy, who is now the quasi-immortal ranger of the OTHERLAND network. These stories follow

the events of the four main OTHERLAND novels, and while no knowledge of the books is strictly necessary, both stories are certainly much more fun if they are read after the novels. This time Orlando has to deal with something that looks like a murder (the deceased is not actually completely dead, although he lacks his head), but the mysterious almost-death of the Royal Policeman of Kansas is not the only mystery in the Kansas/Oz simworld, because there is unrest in the otherwise peaceful and idyllic simworld. And civil war threatens---The story is a wonderful return to OTHERLAND and I hope that Tad Williams will write more of Orlando's adventures. It is a great, fun story, especially for readers familiar with OTHERLAND. I suppose it is somewhat less successful as a stand-alone OZ story, but readers looking for a new OTHERLAND fix will be delighted. 0 von 0 Kunden fanden die folgende Rezension hilfreich. Otherland Isst gren Von G. Hoffmann Eine kleine, neue Kurzgeschichte zum Otherland-Zyklus. Tad Williams schafft zwei Dinge. Er erzählt seine eigene Version der Oz-Geschichte und verknüpft diese gekonnt mit Otherland. Orlando Gardiner auf diese Weise wieder zu treffen war einfach wundervoll. 0 von 0 Kunden fanden die folgende Rezension hilfreich. Kleiner Nachschalg der Otherland Story Von Maya Eisenring Wer Otherland gelesen gemocht kommt wohl um dieses Buch nicht herum. Es ist zwar leider nur ein kleiner Tropfen auf den heißen Stein, verglichen zur Otherland Serie, dennoch erhält man einen kleinen Einblick in Orlando's-AfterLife!

In The Boy Detective of Oz: An Otherland Story by Tad Williams, Orlando the Boy Detective investigates a murder in the Oz simulation of the Otherland network. Some stories are dystopian Some are dreamlike All are undeniably Oz. Kurzbeschreibung When L.
