warn you off... it is really a sweet story and fun to read! I'd love to see this series made into a movie one day :o) For now, I'd settle for a remake of the cover though ;o) or maybe another character's story such as Peter Pan himself, Smee or one of Angel's sisters? :o) 1 von 1 Kunden fanden die folgende Rezension hilfreich. wonderful-!! Von lover girl This sequel is absolutely wonderful! There were so many scenes that made my heart beat for so many different reasons: fearing the next words, falling in love again with Angel and Jamie, or just because of all the action! Sometimes I was about to cry (or even cried) and sometimes I had to snicker. The book is so full of humor, tragedy, love, mystery and hope, you can't stop reading until you're through! And as soon as you're done you wish you weren't :DI definitely recommend this book to everyone who loved the first book about Angel, Jamie, Peter, the Lost Boys, Tami, fairy bug, honey bunny and all of the others! These two books turned out to be one of my favorite stories/books
