Von Cheryl Hollon : Pane and Suffering (A Webb's Glass Shop Mystery) before purchasing it in order to gage whether or not it would be worth my time, and all praised Pane and Suffering (A Webb's Glass Shop Mystery):

KundenrezensionenHilfreichste Kundenrezensionen0 von 0 Kunden fanden die folgende Rezension hilfreich. DifferentVon jeanne adamekThere were certain things about this mystery debut that I really enjoyed--I loved the

information over stained glass, teas, beers and codes. I really enjoyed reading about Savannah's father. He was so well described that he was a person I would have liked to have met. I also enjoyed meeting Jacob and learning more about Asperger's syndrome. Edward, Amanda and Savannah were wonderful, interesting and in Amandas case, sometimes a bit irritating characters. I am looking forward to reading more...I didn't like a lot of the other characters... They all seemed to have the same characteristics going for them--extremely annoying, opinionated, bumbling and dumb. I found that I could easily interchange the name of one unlikeable characters in some of the dialogs and it wouldn't have mattered.I also thought that the mystery was much too easy. It doesn't bother me if I figure out "who" did it, and I would not usually complain about this,but I honestly felt that the author either took the easy way out or left far too many clues.Still, all in all I enjoyed the book. I would definitely read another mystery in this series. I would rate Pane and Suffering with 3.75 stars.

KurzbeschreibungTo solve her father's murder and save the family-owned glass shop, Savannah Webb must shatter a killer's carefully constructed faade. . .After Savannah's father dies unexpectedly of a heart attack, she drops everything to return home to St. Petersburg, Florida, to settle his affairs--including the fate of the beloved, family-owned glass shop. Savannah intends to hand over ownership to her father's trusted assistant and fellow glass expert, Hugh Trevor, but soon discovers the master craftsman also dead of an apparent heart attack. As if the coincidence of the two deaths wasn't suspicious enough, Savannah discovers a note her father left for her in his shop, warning her that she is in danger. With the local police unconvinced, it's up to Savannah to piece together the encoded clues left behind by her father. And when her father's apprentice is accused of the murders, Savannah is more desperate than ever to crack the case before the killer seizes a window of opportunity to cut her out of the picture. . .KurzbeschreibungTo solve her father's murder and save the family-owned glass shop, Savannah Webb must shatter a killer's carefully constructed faade. . .After Savannah's father dies unexpectedly of a heart attack, she drops everything to return home to St. Petersburg, Florida, to settle his affairs--including the fate of the beloved, family-owned glass shop. Fulfilling the dream of a lifetime, she combines her love of writing with a passion for creating glass art. In the small glass studio behind her house in St. Petersburg, Florida, Cheryl and her husband design, create, and produce fused glass, stained glass, and painted glass artworks.
