Von J. A. Huss : PANIC: Rook and Ronin, #3 (English Edition) before purchasing it in order to gage whether or not it would be worth my time, and all praised PANIC: Rook and Ronin, #3 (English Edition):

KundenrezensionenHilfreichste Kundenrezensionen0 von 0 Kunden fanden die folgende Rezension hilfreich. Great Conclusion!Von Tea PThis whole series was so not what I've expected. I was in for a little romance with broken characters and the usual heartbreak, but Rook and Ronin were so much more. I'm almost a little sad, the series came to an end, because I would absolutely love to read more about those adorable characters.Rook was a smart and strong heroine. And Ronin was totally gorgeous and simply perfect. As those two established their relationship, their past

caught up with them and Rook struggled a lot. But she was strong and Ronin had her back. It was really wonderful. They were also hot together. But this series and especially Panic was not just a common romance story. The suspense kept me on edge, and J. A. Huss surprised me (again) with her conclusion in this amazing book. The secondary characters like Ford and Spencer were absolutely great and very well-developed, and the author made me curious about them, so I might read her books about those guys as well.
