KundenrezensionenHilfreichste Kundenrezensionen0 von 0 Kunden fanden die folgende Rezension hilfreich. Funny yet tender!Von Ein KundeThis story is about a woman named Amelia who had to move to Turkey with an aunt she barely remembered. She was kidnapped by a handsome man whom she couldn't resist. There are many colorful characters whom I will never forget.When I read this book, I can visualized myself in Turkey and being captive under this man named Malik Bey. The story described him as a handsome irresistible captor who has trouble pronouncing such English words. I truly enjoyed this book and have read over and over. The reason I also enjoyed this book is that

this book is able to carry you away to another place and time the second you read the first sentence. If you haven't this yet, read it immediately or you will miss the adventure of a lifetime!
