Awesome!Von Detra FitchThe story begins in the year 1997. Michelle "Mechi" Jeanotte is a golf pro at St. Andrew's Golf Course near Aberdeen, Maryland. A lady, calling herself Liz Stewart, phones Mechi late at night, urgently requesting lessons in golfing. Mechi is soon transported back to the year 1561 - in Aberdeen, SCOTLAND!Mechi meets Mary, as in the Queen of Scots, and becomes close friends. Then there is Lord Robert "Robbie" Keith, the Viscount of Kintore, the handsome Scotsman. His father, William, is Mary's guardian/protector. Of course, Mechi and

Robbie are attracted. Mechi, knowing her history well since her own ancestry blends with all this, feels she must try to change history and rescue Mary from her fate of being betrayed and beheaded. But how could Mechi convince the Keith Clan and Mary of what she knows will happen without them believing she is either a witch or crazy?***** AWESOME! Do not worry if you know nothing about the game of golf. You do not have to and the story will not really teach you anything about the game, itself. However, you will learn history and enjoy every second of it! Will Mechi stay in the year 1561 or somehow return to 1997? One thing is for sure, I will never tell you. Highly recommended reading! *****Reviewed by Detra Fitch of Huntress Reviews.

KurzbeschreibungReturn to Dunnottar Castle and the Keith clan, but in a new and exciting way. Mechi Jeanotte, a young golf pro at St. Andrew's Golf Course, just outside Aberdeen, Maryland, has been summoned by a strange-sounding woman who insists on having a private early morning golf lesson. As Mechi waits in a dense fog, she trips on an oak root, finds a black gooey orb she hits to kingdom come, only to have it burst into a million feathers. How did Mechi get from 1996 and St. Andrew's Golf Course in Aberdeen, Maryland, to the 1500s and St. Andrews Golf Course, just outside Aberdeen, Scotland, with her head on the lap of Lord Robbie Keith, Viscount of Kintore, and in the company of Mary, Queen of the Scots? She soon discovers that the fate of Queen Mary lies in her hands, and she enlists Lord Robbie's aid to carry out the most far-fetched plan history has ever known.KurzbeschreibungReturn to Dunnottar Castle and the Keith clan, but in a new and exciting way.
