Von Ruth Ryan Langan : Paradise Falls (English Edition) before purchasing it in order to gage whether or not it would be worth my time, and all praised Paradise Falls (English Edition):

KundenrezensionenHilfreichste Kundenrezensionen0 von 0 Kunden fanden die folgende Rezension hilfreich. I really, really enjoyed this one..Von M+M=SI't's the first time I leave a comment to a book... but this has been a really good read. I didn't expect anything, I even forgot that I had it downloaded on my kindle. When I started reading I expected just another romance novel. But I think of it as more than that. I love the characters and even though there's no big

surprise how the story will end there were a lot of nice, unexpected stories in between. About two people falling in love and a just not so perfect family.. I couldn't read it at one time because of lack of time, but if I had had the time to do so, I wouldn't have let it down a single second!! Love it! Thanks to the author. I'm already deciding on the next book of her, hoping to get purchase another great book!!0 von 0 Kunden fanden die folgende Rezension hilfreich. I was pleasantly surprised...Von Kindle Customerby this nostalgic tale. Although it ultimately led to the expected happy ending, there were enough plot twists and turns to make it an interesting read. The contrast in the two brothers' personalities, the secret of their parents' strange estrangement, the lady teacher's gentle attempt to become part of a new community by helping both its weakest and (supposedly) strongest links; each new development was crafted in vibrant language that took me back to the stories of the rainy Saturday afternoon of my childhood.

Kurzbeschreibung"Ruth Ryan Langan tells a story that's warm as a quilt on a snowy evening and tender as love's first kiss. PARADISE FALLS is a book that touches the heart and comforts the soul." -- NORA ROBERTSIn 1890 Massachusetts, Fiona Downey accepts a teaching position in rural Michigan, populated by few farms and even fewer people. Living with the Hayden family in Paradise Falls, she is drawn into their complex relationships, especially the uneasy dynamic that seems to pit brother against brother: the older, taciturn Grayson, and Fleming, a handsome charmer. Attracted to Grayson -- but pursued by Fleming -- Fiona must decide where her true love lies -- and whether that love is worth sacrificing her dearest dreams.Kurzbeschreibung"Ruth Ryan Langan tells a story that's warm as a quilt on a snowy evening and tender as love's first kiss.
