**Von CM Hutton : Paradise Taken (English Edition)** before purchasing it in order to gage whether or not it would be worth my time, and all praised Paradise Taken (English Edition):

KundenrezensionenHilfreichste Kundenrezensionen0 von 0 Kunden fanden die folgende Rezension hilfreich. Glad I gave it a go!Von Rudi RappThe story of Jake and Kaye might not be an easy love story, but thats whats real. As much as I love to have a HEA and a smooth and tender love story, in real life there are stories who are ugly and full of pain.I

think CM Hutton did a great job, telling the story. Its been her first book and you have to keep that in mind. Its easy to criticize. I read one or twostar books. This clearly wasnt one! Glad I read it and continued to read the sequel. CM gets better with each book, so give her a go!!

Kurzbeschreibung\*\*FOR MATURE AUDIENCES ONLY\*\*Based on true events.Four lives, intertwined by friendship and business, whose true story was more devastating than fiction.Rob and Kaye were thrilled to be moving to the island of St. John with dear friends Jake and Claire. The men were going into business together and relocating with their families to the beautiful tropical paradise. It was a dream come true for the longtime friends. But, when feelings are revealed and temptation takes control, one friendship turns from lust to love and no one can walk away unscathed. And, one person's ultimate decision leaves everyone lost and devastated.Author's note: Be advised--this book contains strong language, adult sexual situations...including infidelity and is the first of two books, so yes it's a cliffhanger. Book 2 (Saving Us) is now available.Kurzbeschreibung\*\*FOR MATURE AUDIENCES ONLY\*\*Based on true events.Four lives, intertwined by friendship and business, whose true story was more devastating than fiction.Rob and Kaye were thrilled to be moving to the island of St. John with dear friends Jake and Claire. Ive always wanted to write and finally found inspiration and support to do it. I live near Austin, Texas with my family and love to read and travel. Put me on a beach with a good book and the world just disappears around me. Paradise Taken was my first novel and is a highly emotional book based on true events. Its sequel (Saving Us) is due out January 2014. Loving Her was the second book I wrote after needing a little time off from Paradise Taken. It is a story close to my heart. I love that you are willing to take a chance on a new writer and promise to keep striving to put out great books!If you don't like my books, that's okay. Just please be gentle on my fragile ego. ;) I'd love to chat with you, so look me up on any of my social pages. Happy Reading. :)
