**Von Beth Barany : Parisian Amour (A Fairy Tale Romance) (Touchstone Book 3) (English Edition)** before purchasing it in order to gage whether or not it would be worth my time, and all praised Parisian Amour (A Fairy Tale Romance) (Touchstone Book 3) (English Edition):

KundenrezensionenHilfreichste Kundenrezensionen0 von 0 Kunden fanden die folgende Rezension hilfreich. It is short but not really enjoyable Von S. BrummI had high hopes for this book as the summary of the plot sounded

promising and the fact that it is a novella should have provided short fun. I liked the setting and the basic idea behind this novella. Unfortunately I was also quite disappointed for several reasons.- Beware that there will be some spoilers in the following sentences. -The characters were unbelievable. Both main characters were so blatant stereotypical that it hurt. And the first French character you'll meet is a ghastly, sexist idiot (reminding me of a certain politician) but is described as a typical French male. And the good American male has to step in to save a fellow American damsel in distress. Wouldn't he have saved any other woman under the same circumstances? It is not as if he was fighting or anything for her, just stepping in during an argument. Then there was the rather frequent mentioning of the crotch and its movements of the male character which was rather annoying, did nothing to add to the story and disrupted the natural flow of the plot. Compared to this the few implausible happenings/revelations (and I do not mean the rather sweet ancient love and dragon subplot) in the storyline were a small distraction. More disturbing for me was the amount of typos I stumbled upon and I am not a native speaker so the readability of the story was greatly diminished for me. All in all this book was a rather disappointing experience for me but as the general idea was a nice one I'll try another work of the author. For me being an author does not mean that you can and should write every kind of book there is and some authors are just better suited to write certain kinds of books.- I received a free copy of this book for my unbiased opinion about this book. -0 von 0 Kunden fanden die folgende Rezension hilfreich. Parisian Amour Von Bigi Stotzka A really sweet little love story, set in France. A magical tale of love about two people who stumble across each other and are drawn to one another. Their adventure brings them closer and the story unfolds. Loved it. Looking forward to reading more from this Author.

Kurzbeschreibung "A Hallmark-type romance with a twist of magic!" What if a dragon lived under the city of Paris? A sweet paranormal romance novella by award-winning author, Beth Barany. Sarah Redman, a bank project manager up to her neck with work, wants some adventure in her life. A career opportunity in Paris seems like a dream come true, but once she gets there nothing goes as planned. The job interview she thought she wanted falls through and her dreams about a crying dragon trouble her. To top it off, she gets lost in the tunnels of Paris with a man who attracts her more than she wants to admit. Trainer extraordinaire, Josh Kleine, needs to pull off a successful presentation at the Paris Transportation Conference to land more clients and save his company. But strange events in the tunnels under Paris drive him to distraction and into a strange, profound sadness. In search of answers under the city, he gets trapped below ground with a gorgeous woman who he desires like none before. But will the sadness tear him apart before he can convince himself and her that love does not only exist in fairy tales? Together they may hold the key to the strange disasters striking the City of Lights. Can Sarah unravel the secrets of the city and of her heart in time to save them all? \*\*\*A short novel. This is a novella of approximately 20,000 words.\*\*\* Beth Barany writes magical tales of romance and adventure to transport readers to new worlds where anything is possible. OTHER STORIES IN THE TOUCHSTONE SERIES Touchstone of Love (A Time Travel Romance) (Touchstone, 1) A Christmas Fling (A Christmas Elf Romance) (Touchstone, 2) A Labyrinth of Love and Roses (A Fairy Tale Romance) (Touchstone, 4) A Cupcake Christmas (A Christmas Elf Romance) (Touchstone, 5) Kurzbeschreibung "A Hallmark-type romance with a twist of magic!"
