Von Louise Bay : Parisian Nights (English Edition) before purchasing it in order to gage whether or not it would be worth my time, and all praised Parisian Nights (English Edition):

KundenrezensionenHilfreichste Kundenrezensionen0 von 0 Kunden fanden die folgende Rezension hilfreich. War okayVon MinelliDas erste Buch hat mir ausgesprochen gut gefallen, ich habe mir daher direkt die ganze Reihe gekauft.Erzht wird hier die Geschichte von Jake und Haven. Haven hat zumindest in Buch 1 ein loses Mundwerk was mir sehr gut gefllt. In Buch 2 und 3 wird das leider immer weniger. Nach Beenden der Serie muss ich sagen, dass mir leider einiges gefehlt hat. Die Frage ist, ob noch die Geschichte von Ash und Luke und Beth und ? erzht wird. Ganz

ehrlich, ist mir aber zu anstrengend das zu recherchieren. In Buch 2 und 3 liest man dann ber die On-Off Beziehung bis es endlich zum Happy End kommt. Wie das mit Millie ausgeht habe ich mir schon die ganze Zeit gedacht. Was mich auch gestrt hat, war, dass man den roten Faden der Geschichte immer schon irgendwo her kennt (Driven, Storm etc.) Im Groen und Ganzen muss ich aber sagen, dass mir die Serie ganz gut gefallen hat. Vielleicht sollte man hier noch anmerken, dass Jake auf fesseln steht. Wer das nicht mag, sollte das Buch nicht lesen. Die besten Stze aus Band 1: Why are you in such a good mood? Did your girlfriends clamidia test come back negative?...or the twenty-nine bottles of wine that I had consumed last night. Lese die ganze Reihe: Habe ich Lese mehr von der Autorin: Eher nicht Lese ich noch Mal: Nein Leseempfehlung: Ja, fr zwischedurch Bookboyfried-Potential: Mittel

Kurzbeschreibung The moment I laid eyes on the new photographer at work, I had his number. Cocky, arrogant and super wealthy women were eating out of his hand as soon as his tight ass crossed the threshold of our office. But not me. I knew better. When we were forced to go to Paris together for an assignment, I wasn't interested in his seductive smile, his sexy accent or his dirty laugh. I wasn't falling for his charms. Until I did. Until Paris. Until he was kissing me and I was wondering how it happened. Until he was dragging his lips across my skin and I was hoping for more. Paris does funny things to a girl and he might have gotten me naked. But Paris couldn't last forever. Parisian Nights is a sexy, standalone, contemporary romance with no cliffhanger. Other books in the series follow different couples. Promised Nights (Ash and Luke's story) Indigo Nights (Beth and Dylan's story) They don't need to be read in order but if you want to the order is Parisian Nights, Promised Nights and Indigo Nights. (Previously published as What the Lightning Sees)
