KundenrezensionenHilfreichste Kundenrezensionen1 von 1 Kunden fanden die folgende Rezension hilfreich.
Excellent observations of dog and CPA behaviorVon D. P. BirkettHalfway to a cozy,although not exactly Miss Marples, and it does have suspense and action. A great dog and a wonderfully sleazy accountant (he was my favorite character -the heroine is a CPA to compensate). Dialog always realistic but never crackles. Good on South-Western food. Best descriptions of office furniture since Chandler. I bought a bundle from 's cheapo bargain list of authors I'd never read and this was the best. There are plot implausibilities.0 von 0 Kunden fanden die folgende Rezension hilfreich. Good locale, bad plotVon Ein KundeA pleasant enough read, except that the plot is riddled with improbabilities and unbelievable behavior by key characters.

KurzbeschreibungUSA Today bestselling author Connie Shelton brings the third installment in her popular pet-sleuthing mystery series. Charlie Parker returns from her Hawaiian vacation to find her older brother Ron involved with a much younger woman. The more Charlie sees of cute Vicky, the more she realizes how deceitful Rons new love is. Is it simply a case of male mid-life crisis, or is there something more devious going on?Meanwhile, Charlie doesnt have much time to ponder Rons problems. Her friend Sharon Ortega is a partner in a restaurant business with David Ruiz. When David turns up dead, an apparent suicide, Sharon comes to Charlie for help. Sharons problem is a double-edged sword. If he did kill himself, Davids life insurance wont pay and Sharon will probably lose the restaurant because she cant afford to hire a replacement. But if he didnt kill himself, then it was murder, and Sharon could very well find herself a suspect.Charlie and her sidekick dog, Rusty, partner up to work on the case, a move that ultimately puts them both in danger.Charlie is a fabulous amateur sleuth. Midwest Book Shelton again has done a superb job. -- Albuquerque JournalKurzbeschreibungUSA Today bestselling author Connie Shelton brings the third installment in her popular pet-sleuthing mystery series.
