Von Fabian Black : Pascal's Boys (English Edition) before purchasing it in order to gage whether or not it would be worth my time, and all praised Pascal's Boys (English Edition):

KundenrezensionenHilfreichste Kundenrezensionen0 von 0 Kunden fanden die folgende Rezension hilfreich.
wrdevoller AbschiedVon OeskenIch habe etwas gezgert, bevor ich dieses Buch kaufte, da das behandelte Thema (ein krebskranker kurz vor seinem Tod und sein Abschied von seinen beiden Adoptivshnen) sicherlich kein einfaches ist. Aber ich habe bereits einige Bcher von Fabian Black gelesen und ich mag ihren emotionalen Schreibstil sehr. Sie hat

mich auch bei diesem kurzen Bchlein nicht enttuscht und die letzten Tage Pascal's und die Gefhle und den Kummer derjenigen, die (hoffnungsvoll) zurckbleiben mit viel Feingefhl und Menschlichkeit beschrieben. Insgesamt war es - mit der Untersttzung von einigen Tempos - ein Lese-genuss.

Kurzbeschreibung Pascal Janssen is terminally ill and wants to help his beloved boys Tom and Adam prepare for his death. His wish is for Adam and Tom to be together as a couple, but romance has recently cooled between them, with Adam wavering about commitment. A tender and moving story about life and love and the rituals we all go through at some point as we face up to our mortal nature. The garden centre references are a metaphor for finding a place of safety in which to grow and flourish. They are also a metaphor for the cycle and seasons of life. Beautiful, inspirational, heart-rending, but ultimately optimistic Pascal's Boys is a story about the power of love. Fabian Black writes kind hearted, thoughtful gay fiction infused with humour, romance and mild elements of domination and submission.
