**Von R.A. Salvatore : Passage to Dawn: The Legend of Drizzt, Book X** before purchasing it in order to gage whether or not it would be worth my time, and all praised Passage to Dawn: The Legend of Drizzt, Book X:

KundenrezensionenHilfreichste Kundenrezensionen1 von 1 Kunden fanden die folgende Rezension hilfreich. What's

so wrong with perfect? Von Ein Kunde Sure, some of the things in Passage to Dawn could have been better, but writing is an art, a creative process, and with most things like that there are always ways to improve. And what is so wrong with Drizzt being nearly perfect? So what if it isn't totally "realistic". That word is subjective. This is fantasy, it obviously ISN'T realistic. I for one would be sorely disappointed if Drizzt strayed from his path. He has faced so many trials and so much pain to get where he is, he deserves to continue down the right path. If his "perfection" grates so on some people's nerves, is it because they are perhaps a bit jealous? I will continue to look forward to the books about this "deserving drow."

1 von 1 Kunden fanden die folgende Rezension hilfreich. Possibly Salvatore's best Drizzt Novel

Von Ein Kunde Unlike the rest of the reviews I believed that Passage To Dawn was one of the best Drizzt novels written by Salvatore. With exciting battles and a fantastic plot, there are few things that are lacking in this book. I also believe that the ending to this book was NOT AT ALL PREDICTABLE. IT ONLY BECOMES PREDICTABLE IF YOU READ THE OLD WITCHES' RIDDLE MORE THAN ONCE. SO READ THE RIDDLE ONCE AND ONLY ONCE AND THERE WILL BE NO LACK OF SUSPENSE AT THE END. The ending to this book is, in my opinion, one of the best endings to any of his books. Passage to Dawn is not predictable or lacking of suspense at all. I couldn't put the book down. Passage To Dawn Is a must-read for all of us Drizzt fans.

1 von 1 Kunden fanden die folgende Rezension hilfreich. Invincible characters and absurd resurrection ruins book

Von Ein Kunde I would have rated this book higher for sheer readability, but as longtime a Drizzt fan some things just bothered me too much. These super-characters are no longer believable. I will probably read the next Drizzt novel as well, but the summary already worries me. Artemis will be back again. Get some new characters, Salvatore! The Artemis/Drizzt rivalry should have been over when Drizzt finally defeated him (in the Legacy I believe). I thought bringing Artemis back in Starless Night was really pushing it, let alone having Artemis pop up again for yet another round with Drizzt. Drizzt is a great character, but future novels are desperately in need of some new material

Kurzbeschreibung Revenge and Resurrection in a Frozen Wasteland! Drizzt and Catti-brie have been away from Mithral Hall for six long years, but the pain of a lost companion still weighs heavily on their strong shoulders. Chasing pirates aboard Captain Deudermont's Sea Sprite is enough to draw their attention away from their grief. Then a mysterious castaway on an uncharted island sends them back to the very source of their pain, and into the clutches of a demon with vengeance on his mind.

From the Paperback edition.
