KundenrezensionenHilfreichste Kundenrezensionen0 von 0 Kunden fanden die folgende Rezension hilfreich. Sehr interessanter RckblickVon Peter WernerDies ist ein sehr interessanter, sehr komprimierter Rckblick in die Ben-Hope-Vorgeschichte. Es ist ja nicht mehr als eine Novelle, aber was fr eine. Der Spannungsbogen ist derart unter Druck, dass er fast bricht. In der letzten Zeit verffentlichen Autoren ja gerne einmal angedachte Ideen digital als Novellen,

und die taugen oft nichts. Kosten aber Geld. In diesem Fall ist das nicht so. Diese Story ist jeden Cent wert.

KurzbeschreibungFrom the #1 Kindle and Top Ten Sunday Times bestselling author of the worldwide-acclaimed Ben Hope thrillers comes a brand new series of eBook originals featuring ex-SAS hero, Ben Hope. **PASSENGER 13A** novella by Scott MarianiFive years before the events of *The Alchemist's Secret*... June 2003: the world is still on fire in the aftermath of 9/11. Fresh from the bloody conflict of the Second Gulf War, SAS soldier Ben Hope returns to Britain for some RR leave, only to find himself embroiled in an intrigue deadlier than anything he's encountered on the battlefields of Iraq. When a passenger aircraft piloted by Ben's former army comrade Nick Chapman crashed off the Cayman Islands killing everyone on board, the official line was that Chapman committed suicide. But things don't add up, and Ben's old friend is barely in his grave before unfolding events point to something far bigger and more sinister going on. What did Chapman witness that powerful forces would do anything to suppress? Who was the mysterious thirteenth passenger on board the doomed flight? Following the trail of clues from the rugged Welsh borders to the Caribbean paradise that Chapman had made his home, Ben quickly discovers that some kinds of knowledge will get you killed - fast. Knowledge that threatens to unmask a global conspiracy of shocking proportions and change the way we view the world... and its masterminds have just made Ben Hope their principal target.Praise for Scott Mariani:"A rollickingly good way to spend some time in an easy chair"- USA Today"Scott Mariani is an awesome writer!" - Chris Kuzneski, bestselling author of *THE HUNTERS*"Deadly conspiracies, bone-crunching action and a tormented hero with a heart...
