Von Sylvia Day : Passion for the Game (Georgian) before purchasing it in order to gage whether or not it would be worth my time, and all praised Passion for the Game (Georgian):

KundenrezensionenHilfreichste Kundenrezensionen3 von 3 Kunden fanden die folgende Rezension hilfreich.

Interesting story sunk under too much sex Von Helen Hancox Sylvia Day's "Passion For The Game" is historical romance of the more earthy kind - there are more sex scenes in this story than anything else and, for this reader at least, it was a disappointment. The underlying plot and story of this book had potential: two very singular people, a smuggler pirate who is on his way to the gallows and a society Widow who is generally suspected of killing her two husbands, clash as they both try to use each other for their own ends. Both Christopher St John and Maria, Lady Winter, are interesting and lively characters whose strength of nature has been forged through their difficult histories. Christopher St John has been released from Newgate so that he can get evidence against Lady Winter for the deaths of her two husbands who were actually agents of the crown. Lady Winter has been blackmailed by her murderous stepfather Viscount Welton to spy on Christopher St John. These two people therefore meet under the circumstances where they cannot trust each other as their lives, or those they love, are at stake. But as they spend more time in each others' company (usually horizontally in this book!) they begin to unravel the different layers of each others' personalities and find something rather more important together. There is also a subplot of Amelia, Maria's sister, and her blossoming into womanhood whilst under house arrest by her father - she is used as a bargaining chip to make Maria do Viscount Welton's bidding. The plot is fairly good in this story but the disappointment for me was the ubiquitous sex scenes. One or two would have been enough to give us an idea that Christopher and Maria are compatible in bed but it seemed that they were leaping under the sheets at every possible opportunity and we had to have detailed all that they did there. Although this book is meant to be a romance it fell rather short on the romance and was far more of a sex manual and one which used rather coarse language as well, even between the hero and heroine. I was also not always entirely sure of the historical setting in many cases and some of the phraseology was American rather than 18th century English. There were some interesting characters such as Quinn, Amelia and Colin (who I imagine are the subject of a forthcoming book) but more could have been made of the hero and heroine in this story outside the bedroom. The book was a reasonable read but also a missed opportunity overlaid with too much sex.

Kurzbeschreibung MATCH POINT Infamous for satisfying his limitless wants and desires, Christopher is a free man again. And this time hes on a mission to engage, deceive and seduce the one woman as ruthless as he is when it comes to dangerous games of passion . . . Far from innocent in the ways of men, Maria is one step ahead of Christophers every move. It doesnt mean she isnt enjoying every delicious look, every unbridled kiss, every moment of abandon. Neither of them could have imagined the moment when they would meet their matchor that they would surrender to each other again and again . . . Praise for Sylvia Day and her novels Bared to You obliterates the competition . . . unique and unforgettable. Joyfully ed"Day pulls out all the stops, juggling sizzling romance with high suspense and intrigue. RT Book s on Passion for the Game Plenty of sexy intrigue and potent chemistry. Booklist on Passion for the Game From Booklist Maria, Lady Winter, has no choice but to use her celebrated beauty to find out why notorious pirate Christopher St. John has been released from prison. St. John's only chance of escaping the hangman is to use his legendary seduction skills to melt the "Wintry Widow's" icy facade and discover all of her secrets. Now entangled in a dangerous game of deception and desire, both Maria and Christpher are equally determined to be the one to win their battle of wits. Day engineers plenty of sexy intrigue, and the potent chemistry she cooks up between Maria and St. John is enough to singe the pages of this lushly detailed, richly sensual Regency romance. Charles, John Pressestimmen Praise for Sylvia Day (-) Several shades darker and a hundred degrees hotter than anything you've read before (Reveal) Move over Danielle Steel and Jackie Collins, this is the dawn of a new Day (Amuse) A master storyteller (RT Book s) Steamy sex scenes and intriguing plot twists will have readers clamouring for more (Library Journal) Lots of sex and gripping story lines (Sun) Full of emotional angst, scorching love scenes, and a compelling storyline (Dear Author) They are powerful, sexy and unputdownable (Victoria Loves Books) Boldly passionate, scorchingly sexy (Booklist) Sophisticated, engaging, clever and sweet (Irish Independent) Indulgent fantasy at its most enjoyable (Shelf Awareness)
