**Von Deborah McClatchey : Passion In Peril (English Edition)** before purchasing it in order to gage whether or not

it would be worth my time, and all praised *Passion In Peril* (English Edition):

KurzbeschreibungA cunning serial killer is terrorizing their neighborhood. Chloe Banyon and her close friends are terrified they may be next! The latest victims were particularly voluptuous young women, who frequented their favorite hangout, The Cellar.Chloe and her best friend, Monica, are skilled makeup artists, working at a prestigious department store. Cha Cha is a beautiful, exotic, 'plus size' model, who fears her biological clock is ticking away. And then there is madcap, redheaded Steffi; the actress searching for love and success.Chloe's boyfriend Harry, a detective with the San Francisco Police Department, is doing all he can to find the murderer before he strikes again. The deeper Chloe falls in love with Harry, the more she realizes just how precious life is. Join them in their close encounters with the demented 'man of mystery'.Will the killing stop in time?KurzbeschreibungA cunning serial killer is terrorizing their neighborhood.
