entschlossen habe, das Buch zu kaufen. Die Geschichte war interessant; für mich mehr in Bezug auf die Familiendynamik und auf die zerstörerischen Auswirkungen, die falsch verstandene Liebe und Loyalität haben kann. Etwas schwerer tat ich mich mit den beiden Hauptprotagonisten; die Wiedervereinigung nach 8 Jahren Trennung ging mir etwas zu reibungslos. Wenn nach dieser langen Trennungszeit die Gefühle noch so stark sind, hätte dann nicht schon früher der Wunsch nach einem Gespräch (und wenn auch nur um den anderen zum Teufel zu schicken) auftreten können? Aber vielleicht ist das ja auch nur meine Art, mit solchen unerledigten Dingen umzugehen. Alles in allem, ein gutes Buch.

Kurzbeschreibung Abandoned by his mother and raised by a judgmental, homophobic father on the unforgiving streets of Overtown, Davin Monroe knows a lot about survival and little about love. As heir to the family business, Alaric Bennetts innate strength makes him the pillar upon which the family problems fall but leaves him emotionally abandoned by those that need him. One chance meeting and five beautiful years together do not prepare them for the dark, depraved jealousy threatening their hard earned happiness. Now a killer has forced Detective Monroe to face the past and the only man his heart has ever wanted. With only one shot at redemption, Alaric is determined to uncover the truth and bring his lover home. When discovering the one secret that has kept them apart for eight years unravels an entire hidden life can Alaric and Davin survive the revelations that follow? *This book is an m/m romance with D/s elements and contains flashbacks to sexual assault.

über den Autor und weitere Mitwirkende Like many readers, the dream of being a writer has been with me a long time. After three decades of trying, I'd begun to doubt. Thanks to social media, I followed my favorite authors hoping to glean some words of wisdom as I pounded out half-formed ideas with alarming regularity. Two repetitive themes emerged: To be a great writer you must read a lot and your butt must be in the chair every day like it's a job. The more you write, the easier it will be to write and the better you will be at writing. I took that advice to heart and write every day. With two published books and counting, it's been amazing to have made this dream my reality. I am a firm believer in marriage equality, love at first sight, power dynamics and happily ever after. I'm a lover of strong secondary characters and series filled with families, biological or chosen. All are themes you'll find throughout my books.
