**Von Wendy Holden : Pastures Nouveaux (English Edition)** before purchasing it in order to gage whether or not it would be worth my time, and all praised Pastures Nouveaux (English Edition):

KundenrezensionenHilfreichste Kundenrezensionen2 von 2 Kunden fanden die folgende Rezension hilfreich. Amsant und satirischVon Ein KundePastures Nouveaux ist das erste Buch von Wendy Holden, welches ich gelesen habe. Es ist sehr unterhaltsam geschrieben und man kann es nicht mehr weglegen, weil man unbedingt wissen will, wie es weitergeht.Die Geschichte handelt von Rosie und Mark, die von London aufs Land ziehen, nach Eight Mile Bottom.

Sie erzählt aber auch von Guy und Samantha, welche ebenfalls in dasselbe Kaff ziehen. Die Gesichte der beiden Paare wird miteinander verbunden und es kommt zu vielen Zwischenfällen bevor sich die Geschichte für die einen zum Guten wendet (Rosie) und für die anderen zum Bsen (Samantha)... Aber mehr sei hier nicht verraten. Das Buch ist ideal für alle, die sich mit England verbunden fühlen, britischen Humor lieben und ganz einfach drauflos lesen wollen. Ich habe das Buch innerhalb von wenigen Tagen fertig gelesen und ich werde bestimmt schon bald wieder ein Buch von Wendy Holden lesen.

Kurzbeschreibung Cash-strapped Rosie and her boyfriend Mark are city folk longing for a country cottage. Rampantly nouveaux-riches Samantha and Guy are also searching for rustic bliss - a mansion complete with mile-long drive and hot and cold running gardeners. The village of Eight Mile Bottom seems quiet enough, despite a nosy postman, a reclusive rock star, a glamorous Bond Girl and a ghost with a knife in its back. But there are unexpected thrills in the hills. The local siren seduces Guy while mysterious millionaire makes Rosie an offer she can't refuse. But should she? deCountry life doesn't prove quite so simple for the sophisticated city folk in Pastures Nouveaux, best-selling author Wendy Holden's hilarious "comedy of country manors". Although some of the rural inhabitants are poor as church mice, the majority are not and all pursue the same recreational activities (money and sex) as their urban cousins. The belle of the country set is Rosie, a freelance illustrator, who (originally) is not desperately seeking a man, marriage or babies. In fact, natural beauty Rosie doesn't seem to have a problem with men at all. Although she has a partner (Mark is an arrogant journalist whose work involves dishing the dirt on the famous), he is quite obviously unsuitable for such a nice girl. It doesn't take long (page two) before Rosie thinks there must be more to life. So when Mark is given his own column about, wait for it, the travails of sophisticated city folk who move to the hilariously simple "country", she is soon romping with a very mixed set from the nouveaux-riches Samantha and Guy to a farmer fatale and a mysterious millionaire. Thanks to her previous jobs on national newspapers and up-market glossies, Holden slickly draws her caricatures of urban types from the single-minded financiers, for whom extra-marital sex is a hobby, to their stick-insect, interior design-obsessed wives to vacuous, celebrity-sniffing media types. Champagne D'Vyne, Holden's posh-totty socialite and star of previous tales, even makes a cameo appearance (as herself, nach). If you are looking for a light read, nouvelle literature that won't stretch you too much, read on! --Carey Green Pressestimmen 'Devilish humour, more puns than you can shake a stick at and sharp satirical prose. This riotous romp will not fail to entertain' OK magazine \* OK magazine \* 'Wickedly funny comedy of manners: oddballs, hilarious one-liners, and some very bad puns' Kirkus s \* Kirkus s \* 'Wendy Holden is an expert at writing tongue-in-cheek humour for the modern woman' Good Reading, March 2005 \* Good Reading \* 'A pun-packed romp' Eve Pastures Nouveaux was no.4 in the Times fastseller list and no.7 in the Sunday Times and Observer bestseller lists 'On days of gloom Wendy Holden's novels should be handed round like aspirin. Her new book, Pastures Nouveaux, is guaranteed to bring a smile even to the baddest of moods... Discover the hills are alive with the sound of high jinks in this laugh-a-minute romp' B magazine Wendy Holden was the subject of the My Therapy feature in the Express with a strapline for Pastures Nouveaux 13/8 A very modern romantic comedy... her cultural references are spot-on... an amusing romp through village life \* Mail on Sunday \* 'Holden combines subtle observation on the disparity between romanticised and real rural life with deliciously brash humour' The Times Pastures Nouveaux was no.6 in the Observer and no.no.10 in the Daily and Sunday Telegraph bestseller lists Clever, naughty and basically affectionate and good-natured.... a comic romp engineered with aplomb and dash... will have fans glued \* Sunday Times \* Pacy pastiche of city dwellers "gone country"...packed with puns... Holden has produced an entertaining novel, bursting with a large cast of Diblyesque characters, which will no doubt delight fans of her two previous books \* Daily Mail \* 'Holden combines subtle observation on the disparity between romanticised and real rural life with deliciously brash humour' The Times \* The Times \*
