Von Kris A Hiatt : Path of The Calm (Saga of The Wolf Book 1) (English Edition) before purchasing it in order to gage whether or not it would be worth my time, and all praised Path of The Calm (Saga of The Wolf Book 1) (English Edition):

KundenrezensionenHilfreichste Kundenrezensionen1 von 1 Kunden fanden die folgende Rezension hilfreich. not good

enoughVon NiceCatThe first book would be great if not for too much detail in many cases.The story is good and the characters interesting.But some actions like "carving letters into a sword" or sword fights or getting into certain mental states and others are described in too much length. Nevertheless, if you can skip these paragraphs the first book is good.The 2nd book is not that good anymore.Too many too long dialogs without anything of interest in these dialogs.It seems like 8/10 of the book are dialogs. And boring ones too, at least half of them.In the 2nd book are too many silly decisions by the protagonist and his friends, it is not funny any longer.Spoilers!During a fight for his life the hero kills someone. He is the only one of his party with a weapon. He stops fighting and contemplates the fate of the poor soul he killed. Full of remorse and ... bla bla bla.The others didn't stop to fight, so they just take one as hostage and now he gives them his weapon. Why?One could escape. So she could try to rescue the others later. But of course she comes to the bad guys and let herself get slapped and handcuffed because they would hurt the other ones if she did not come... what?It just is a series of actions which are possible from the persons we have read about until now.Just not possible!It breaks the immersion, the story and behavior of the protagonists.An enemy kills many persons.They decide to go along with the enemies suggestion and claim the kills for themselves.So, they lie to their allies and later they will be found out as liars, in the third book I'd think. Not that I will read it. Ever.Why would they do that?The "reasoning" is: "so the supposed killer is feared".Funny thing is, the enemies know he did not kill. So only his allies will "fear" him. Good thing to have such a silly liar as ally. Not.The first book is kind of ok, but there is no nice end to the first book.The second book is not ok.So I have to say, stay away from both books.Sorry, it started so nice.1 von 1 Kunden fanden die folgende Rezension hilfreich. Great read. Thank you.Von C. BarthI liked to read this very much. A small world (yet), low impact magic (yet) and well crafted characters. The hero maybe too succesful in so litte time, but still a very good book. I did give 5 stars despite the errors. Please take the time necessary to craft a worthy sequel and find an editorial.0 von 0 Kunden fanden die folgende Rezension hilfreich. Great bookVon YourEverydayTypicalBookwormI really love saga of the wolf Please release the next one soon.

KurzbeschreibungThe young world of Onneron has known peace for years. But now unease has spread across the land as disagreements between factions threaten each others way of life. The Brothers of the Onneron College dedicate themselves to higher learning and to mastering Paths of magic. They wish to remain independent, but the Onneron Church feels threatened by their ability to heal and vies to take control of their order.Treace, bullied and belittled, is unaware of the plan his deceased father has for him. A mentor sets him upon a path to join the prestigious College. Even if he is accepted, the tides of change are coming.To Treace its not about where we end up, its the Paths we take to get there that matters.Path of The Calm is the first book in the epic series Saga of The Wolf that follows Treace as he grows into a young man. It explores the bonds of friendship, deception, life lessons, love, swordplay, and magic.KurzbeschreibungThe young world of Onneron has known peace for years.
