Wieder mal tolle TalesVon Paizo GoblinIch bin ein groer Fan der Pathfinder Tales und habe die meisten der Tales nahezu verschlungen.Klappentext lie nur ein generisches Abenteuer erahnen. Dann nach den ersten 20 Seiten konnte ich nicht mehr aufhren.Der Plot lsst sich relativ bald erahnen, hat jedoch keinen Einfluss auf das Lesevergnen.Wir beobachten,

wie sich der Hauptcharakter von einer schchternen unscheinbaren Person, zu einem Racheengel und schließlich zu einer Kämpferin für ihre Stadt wandelt. Besonders hervorheben möchte ich, die anschauliche Beschreibung und Ausführung zur Magie der Stadtdruiden und zu Reaktion der anderen Charaktere auf die Magie des Hauptcharakters. Berhaupt gibt es ein sehr schönes Beziehungsgeflecht mit vielen Nuancen. Insgesamt ein überraschend starker Beitrag zur Pathfinder Tales Reihe. 0 von 0 Kunden fanden die folgende Rezension hilfreich. If you love Magnimar, you will like this book. Von philippe stger (This book takes place in the world of Golarion of the RPG Pathfinder) As a Game Master, who has a game originated in the city where this story plays, I had high hopes in this book. And in this particular manner it served my expectation. But the story is more or less predictable and sometimes feels a bit flat. (Sorry, Mr. Laws. I don't want to sound disrespectful, but honest) If you are a fan of the city of Magnimar and a Pathfinder-Fan in general, I would recommend you this book. If you are looking for an immersive story, please look further. Robin D. Laws has written a lot of books that I was more interested in.

Kurzbeschreibung Luma is a cobblestone druid, a canny fighter and spellcaster who can read the chaos of Magnimar's city streets like a scholar reads books. Together, she and her siblings in the powerful Derexhi family form one of the most infamous and effective mercenary companies in the city, solving problems for the city's wealthy elite. Yet despite being the oldest child, Luma gets little respect - perhaps due to her half-elven heritage. When a job gone wrong lands Luma in the fearsome prison called the Hells, it's only the start of Luma's problems. For a new web of bloody power politics is growing in Magnimar, and it may be that those Luma trusts most have become her deadliest enemies! From visionary game designer and author Robin D. Laws comes a new urban fantasy adventure of murder, betrayal, and political intrigue set in the award-winning world of the Pathfinder Roleplaying Game.
