Von Judith Barrow : Pattern of Shadows before purchasing it in order to gage whether or not it would be worth my time, and all praised Pattern of Shadows:

KundenrezensionenHilfreichste Kundenrezensionen0 von 0 Kunden fanden die folgende Rezension hilfreich. Pattern of shadowsVon Patty SmithPattern of ShadowsJudith BarrowFound the book interesting, gave lots of information

about life in the 30ies, and 40ies. Storyline quite good.

Kurzbeschreibung Mary is a nursing sister at Lancashire prison camp for the housing and treatment of German POWs. Life at work is difficult but fulfilling, life at home a constant round of arguments, until Frank Shuttleworth, a guard at the camp turns up. Frank is difficult to love but persistent and won't leave until Mary agrees to walk out with him.
