Von Brian Herbert, Kevin J Anderson : Paul of Dune: What happened between Dune Messiah and Children of Dune the untold story. (Legends of Dune) (English Edition) before purchasing it in order to gage whether or not it

would be worth my time, and all praised Paul of Dune: What happened between Dune Messiah and Children of Dune the untold story. (Legends of Dune) (English Edition):

KundenrezensionenHilfreichste Kundenrezensionen1 von 3 Kunden fanden die folgende Rezension hilfreich. Courtesy of Teens Read TooVon TeensReadToo"I leave my footprints in history, even where I do not tread."Paul Atreides, Maud'Dib to his loyal subjects, has unleashed a bloody Jihad across the universe. The old Emperor has fallen - his Imperium destroyed. It is now Paul's right and duty to erase Shaddam IV's reign from history and begin anew.He will face many hardships along the way; assassination attempts, interplanetary wars, and deciphering who he can trust within his own household. And there is always the matter of the spice trade. "He who controls the spice, controls the universe" - a phrase that Maud'Dib understands all too well.Paul will question his own motives and actions for ruling the universe, and eventually come to the realization that his decisions will shape the course of history.PAUL OF DUNE was written to fit in between the original novel, DUNE, and its sequel, DUNE MESSIAH. Herbert and Anderson have attempted to bridge several gaps between the two novels, and have done so successfully. Fans of Dune will find their beloved characters, planets, and societies just as they left them. The authors do an incredible job of staying true to Frank Herbert's original vision of the Dune universe.A great addition to an excellent series of books.Reviewed by: LadyJay1 von 3 Kunden fanden die folgende Rezension hilfreich. Just a sequelVon KundeFrank Herbert was a genius.This book is just a sequel. It is ok, but it is lacking inspiration. You could basically pick any of the protagonists of Frank Herbert's Dune and put another sequel together like this. Exchangable. At least it is easy to read.

KurzbeschreibungBetween the end of Frank Herbert's DUNE and his next novel DUNE MESSIAH lies a mystery: how a hero adored by a planet became a tyrant hated by a universe. PAUL OF DUNE begins the story of those twelve fateful years and the wars of the jihad of Paul Muad'Dib. It is an epic of battle and betrayal; of love and idealism; of ambition and intrigue. Above all, it is the story of how Paul Atreides who achieved absolute power when scarcely more than a boy changes from an idealist into a dictator who is the prisoner of the bureaucrats and fanatics who surround him. 'Frank Herbert would surely be delighted and proud of this continuation of his vision.' Dean KoontzPressestimmen'[Herbert and Anderson] do a great job in investing the plot with heft and complexity and the narrative with pace and momentum, and conveying the sheer ferocity of the betrayals and duplicities ... a rare, rattling page-turner that no Dune adherent will pass up.' -- Kirkus s on SANDWORMS OF DUNE Frank Herbert would surely be delighted and proud of this continuation of his vision. -- Dean Koontz Those who long to return to the world of desert, spice and sandworms will be amply satisfied. -- The Times A triumphant climax to the history of the Dune universe. -- Bookseller on THE BATTLE OF CORRIN 'For those of us who grew up with the world of spice and sand - how gratifying to revisit characters who felt like old friends, now brought to a satisfying conclusion.' -- My Weekly on SANDWORMS OF DUNEKurzbeschreibungBetween the end of Frank Herbert's DUNE and his next novel DUNE MESSIAH lies a mystery: how a hero adored by a planet became a tyrant hated by a universe.
