Von Chameleon : Pawn of Innocence (English Edition) before purchasing it in order to gage whether or not it would be worth my time, and all praised Pawn of Innocence (English Edition):

KundenrezensionenHilfreichste Kundenrezensionen0 von 0 Kunden fanden die folgende Rezension hilfreich. Romantic!Von Sophia GamptonThe thing I loved most about this book was the absorbing plot. From the very beginning the reader is drawn into Camille's privileged world.But she is unhappy with her life where she is forced to hide away from the world unless she is accompanied by body guards. Camille is feisty and head-strong, determined not to be tamed and when she escapes for a holiday to Turkey she experiences the first stirrings of love for a stranger

who rescues her from a mugger. When she returns home, Camille is unable to forget this mystery man and when things become too much for her, she returns to the place where she experienced such happiness to see if the man is still there. Unfortunately their reunion is rocked when Camille is kidnapped and once more the stranger comes to her rescue. Discovering his true identity when she safely returns home, Camille feels betrayed by her father and those she trusted most. Once more her feelings are confused as she battles between her love for a stranger and trying to forget him and find some normality in her life. Without wanting to spoil the ending for anyone, I recommend this book for anyone who has an ounce of romance in them. There is also plenty of menace and excitement in this tale of love conquering all.

Von Athena I have to give Pawn of Innocence a 5 star because I loved Armand and Camille's adventure, but also because of the awesome sights and sounds feature! This is the first time I've seen this cool thing done where at various points throughout the book, there are links and if you want to hear the music the author suggests, or see how she envisioned the ball gown, or cabin in the woods, you can click the link and it will take you to pictures and sounds! I loved the adventure Camille was on rather she did or not! We could only be so lucky to have a guy like Armand following us around all day making sure we are safe. It was a fast read and kept me on the edge of my seat both with action and also if she'd ever get her man! I was emotionally drawn in to the point at one moment I thought I might have to reach out and strangle the author if things were to go a certain way! Ahhhh! Definitely will read Chameleon again!

Kurzbeschreibung Camille can hardly believe the luck of her chance encounter with a tall dark stranger, one that eventually leads to what she believes is sure to be a sizzling vacation romance. She slowly learns chance had nothing to do with it, and unlucky is the word that begins to best describe it as events take a terrifying turn. She quickly finds herself knee deep in a web of lies and deceit, and the object of an abduction that turns out to have far reaching consequences. Once back home, however, she overhears a conversation that leads her to uncover the shocking truth of her abduction, and sheds light on something she thought she would never have to face again.

Hinweis ber den Autor und weitere Mitwirkende Born in California, Chameleon has travelled extensively across the U.S. and to numerous European countries. Writing has been her passion for 30 years, but has only recently decided to share her many stories with the general public. "It took a lot of persuading from friends and family to get me to actually write all my stories down, and I hope that everyone will enjoy reading them as much as I have had in telling them." Pawn of Innocence is also available in ebook format, as is 3 Days in Paradise, the author's second book. When asked what her third book will be, "I'm currently writing two other books- Masters of the Game, and Reject Ed Childe, both high tension, suspenseful, and emotionally gripping stories. I don't have a cover yet, for Masters, but you can view Reject and more about my current books on my website at www.chameleon-author.com and get an even more indepth look at the stories on my facebook page www.facebook.com/ebooksbychameleon
