Von David Eddings : Pawn Of Prophecy: Book One Of The Belgariad (The Belgariad (TW)) before purchasing it in order to gage whether or not it would be worth my time, and all praised Pawn Of Prophecy: Book One Of The Belgariad (The Belgariad (TW)):

KundenrezensionenHilfreichste Kundenrezensionen0 von 0 Kunden fanden die folgende Rezension hilfreich. Great

young adult fantasy novel Von Kirsten S. It was a great young adult fantasy novel. I read it in two days and ordered the next four in the series immediately. Would recommend for a fun read. 10 von 10 Kunden fanden die folgende Rezension hilfreich. Great Fun Von William Briggs Let me first say that I only give five stars for books that, to me, are the very best of the genre. My 4 star rating is not intended to slight this series at all. I have seen several previous reviewers complain about the predictable storyline and lack of intricacy in the plot. And hey, I agree. These books are NOT written to be complex; they are written to be FUN. I have read the Belgariad and Mallorean more times than I can count, and they are both extremely enjoyable, and at times, touching. Eddings has a flair for writing dialogue that brings his characters to life. On the downside, those characters are mostly static, and rarely change - their personality types are set in stone, and their interactions are almost always the same. Occasionally, however, Eddings will surprise us and reveal a facet of a character's personality that we have not previously seen. This particular book is actually a bit slow, and not really all that much Cool Stuff (TM) happens. In the second book and onwards, Eddings describes the magic and lands of his world, and I must say that they are both extremely interesting. If you are looking for a deep, intricately woven plot that has turns within turns, I would suggest picking up Tad Williams' Memory, Sorrow and Thorn trilogy or George R. R. Martin's Song of Ice and Fire series. If, however, you are looking for a rollicking, fun adventure then I can wholeheartedly suggest the Belgariad, starting with Pawn of Prophecy. 7 von 8 Kunden fanden die folgende Rezension hilfreich. This book is the entrance fee to the rest of the series Von Svein Olav Nyberg This book is worth reading for one thing only: It is the start of the rest of the series, and provides the background for it. The book itself ... don't you just hate it when the plot depends on such artificial devices like "Oh I am so noble I won't kill this man, even though he is obviously (for the rest of the book and then some) going to go out of his way to make life miserable for me and my friends, and preferably kill us if he can." and "Gee, I think I'll take the long way round, since some people's feelings will get hurt if I take the shortcut, even though the fate of the universe depends on me getting to my destination in time." Also, and this unfortunately applies to the later and far better books in this series as well, Eddings is so deep into "properness" like gender stereotypes, parental authority and kinging and queening that it gets downright annoying at times. On the good side, Eddings has a fluent prose which makes the books an easy read, and he has the occasional deep observation made through Garion. But these benefits really don't get to the fore until the later books in the series.

Kurzbeschreibung BOOK 1 OF THE BELGARIAD, the worldwide bestselling fantasy series by one of the godfathers of the tradition. Discover the epic stories that inspired generations of fantasy writers - from Raymond Feist's The Riftwar Cycle to George R. R. Martin's A Game of Thrones. A battle is coming..... And in that battle shall be decided the fate of the world. Myths tell of the ancient wars of Gods and men, and a powerful object the Orb that ended the bloodshed. As long as it was held by the line of Riva, it would assure the peace. But a dark force has stolen the Orb, and the prophecies tell of war. Young farm boy Garion knows nothing of myth or fate. But then the mysterious Old Storyteller visits his aunt, and they embark on a sudden journey. Pursued by evil forces, with only a small band of companions they can trust, Garion begins to doubt all he thought he knew... Pressestimmen "A classic coming-of-age epic" (Christopher Paolini) Werbetext BOOK 1 OF THE BELGARIAD, the original bestselling fantasy series by the famed master storyteller. In the same tradition as Terry Goodkind, Raymond Feist and David Gemmell.
