**Von Christopher G Moore : Paying Back Jack (Vincent Calvino 3) (English Edition)** before purchasing it in order to gage whether or not it would be worth my time, and all praised Paying Back Jack (Vincent Calvino 3)

(English Edition):

Kurzbeschreibung When Calvino is hired by a retired Thai general to deal with a corrupt and deadbeat tenant, he almost immediately has to evade an assassination attempt. Figuring that it might be best to lay low for a while, Calvino heads for the beach. But trouble only follows him there, as a beautiful young woman falls to her death from the hotel room above his. Back in Bangkok, Calvino is hired to tail a politician running for election. His investigation draws him into a shady world of private contractors, UN officials, and city politics. As he closes in on his target, his run of bad luck brings him ever closer to danger until Calvino realises he could be the target himself. Pressestimmen "Plenty of violent action and some memorable low-life characters, but the real star of the book is Bangkok, which Moore, a long-term resident of the city, brings to vibrant, sleazy life.' Daily Telegraph 'Calvino is an engaging Bangkok P.I. who thinks he is about to smash a major Thai drug piracy ring when things start going pear shaped. It's a great introduction to the seamy side of Bangkok.' Daily Mail 'A vividly observed Bangkok is the setting for this first in a series about Vincent "Vinnie" Calvino, a disbarred American lawyer-turned-Thai private eye. Drug cartels, super-rich celebrities and a Shakespeare-quoting chief of police.' Sunday Telegraph "Plenty of violent action and some memorable low-life characters, but the real star of the book is Bangkok, which Moore, a long-term resident of the city, brings to vibrant, sleazy life.' Daily Telegraph 'Calvino is an engaging Bangkok P.I. who thinks he is about to smash a major Thai drug piracy ring when things start going pear shaped.
