**Von Stella Newman : Pear Shaped** before purchasing it in order to gage whether or not it would be worth my time, and all praised Pear Shaped:

KundenrezensionenHilfreichste Kundenrezensionen0 von 0 Kunden fanden die folgende Rezension hilfreich. Grandiose ChickLitVon KerzeSelten hat mich in den letzten Jahren ein ChickLit-Buch dermaen berzeugt - und dann ist es auch noch ein Debt! Sophie Klein, die irgendwas mit Pudding macht beruflich (ich muss gestehen, hier hapert es dann doch mit meinem Englisch, aber egal), trifft einen Mann, der genau ihr Beuteschema ist: blo nicht zu gut aussehend. Er ist etwas lter als sie, erfahrener als sie, erfolgreicher als sie und Sophie verliebt sich von den

Zehenspitzen bis zum Haaransatz. Leider steht James auf dnne Frauen. Und dnn ist Sophie nicht, kein Wunder, sie liebt Essen. Wie sie dennoch versucht, die Romanze wahr werden zu lassen, dabei aber sich selbst treu zu bleiben, ist so spannend, mitreierend, intensiv, dass ich jeder Frau und gern auch jedem Mann natrlich dieses Buch nur ans Herz legen kann. Zum Heulen schn!

KurzbeschreibungSPECIAL LOW PRICE FOR A LIMITED PERIOD TO DISCOVER THIS NEW AUTHOR.A novel about love, heartbreak and dessert.Girl meets boy.Girl loses boy.Girl loses mind.Sophie Klein walks into a bar one Friday night and her life changes. She meets James Stephens: charismatic, elusive, and with a hosiery model ex who casts a long, thin shadow over their burgeoning relationship. Hes clever, funny and shares her greatest pleasure in life to eat and drink slightly too much and then have a little lie down. Sophies instinct tells her James is too good to be true and he is.An exploration of love, heartbreak, self-image, self-deception and lots of food. Pear-Shaped is in turns smart, laugh-out-loud funny and above all, recognizable to women everywhere.Pressestimmen`A fabulous first novel by a British writer...Her writing is witty and snappy and she is hilarious on the food industry, with a wit that would not disgrace television's The Office... I also found her fascinating on the methodology of contemporary dating.' Wendy Holden. 'Pear Shaped is the best sort of guilty pleasure, from the copious puddings our heroine Sophie tests in her day job, to the relationship she just knows is wrong for her but can't seem to give up. You'll shout out loud willing her to dump him, and cry with laughter as you recognise all the daft things we do when we're in love. And then you'll have a second helping of pudding and fall in love with Stella Newman's quick wit and her clever portrayal of that delicate balance between food, love and insanity.' -Kathleen Baird-Murray 'It reminded me of a lemon meringue pie: sharp and sweet and satisfying all at once. It's funny, sad and uplifting... Sophie Klein's every woman who's stood in front of a mirror and hated herself, and we adore her for that, and for finally delivering a Toxic Bachelor a good kick up the arse. It's a belter.' -Kate Long, bestselling author of The Bad Mother's Handbook 'Achingly funny, searingly honest, Pear Shaped is quite simply the freshest thing I've ever read. Take note of the name Stella Newman. A must for anyone who's ever loved, lost...or eaten too much dessert.' Claudia Carroll, bestselling author of Will You Still Love Me Tomorrow 'If you are a girl with a passion for food, this modern city heartbreak is the book for you.' Heat `What a fantastic book. Really quite brilliant, way superior to standard chick-lit...so well written, fresh, insightful, funny...honest and very contemporary. Fantastic dialogue. Great characters. There's so much that's fresh and fun, including the food world which I loved.' Henry Fitzherbert, Sunday ExpressKurzbeschreibungSPECIAL LOW PRICE FOR A LIMITED PERIOD TO DISCOVER THIS NEW AUTHOR.A novel about love, heartbreak and dessert.Girl meets boy.Girl loses boy.Girl loses mind.Sophie Klein walks into a bar one Friday night and her life changes.
