**Von V.C. Andrews : Pearl in the Mist (Landry)** before purchasing it in order to gage whether or not it would be worth my time, and all praised Pearl in the Mist (Landry):

KundenrezensionenHilfreichste Kundenrezensionen0 von 0 Kunden fanden die folgende Rezension hilfreich. Patience

is a virtue Von Daisha-Ann Kamalo This book is all about one who has to endure a lot over many changes that takes her away from the little that she had. Her love, her father, her uncle and her new home that she loved. With her sister being as cruel it didnt make it any easier. This book just says that you have to wait and be patient. Though it may be frustrating more then half the times you have to see it throught. Dont run away, face it! If you read this book you will see that there are many fights fought by us everyday. Its up to us to make tommorow better then yesterday and today. Read it and you'll see that patience is a virtue that everyone dosent want but in the end you'll see that you have gone far. Just like she did. It might not be what and how you wanted it. The main thing is to make the best of it and dont lose hope.0 von 0 Kunden fanden die folgende Rezension hilfreich. Shady Genre That Keeps Selling Though Andrews Died In 80s Von Ein Kunde This is a sleazy series, ghostwritten (obviously, since Andrews died sometime during the 1980s), that recycles all the traumatic events in her early books into a new package with yet another sweet but hapless little girl on the cover. The writing is bad, the characters are thinly drawn, and the story is just a bastardized version of the real Andrews' novels. I thought the market for the "girl who is partially orphaned, then betrayed by adoptive parents, then falls in forbidden incestuous love with some relative, and then is raped by some other relative"-story was called the porn industry. I can't believe this is actually becoming like a genre unto itself. How totally shady!0 von 0 Kunden fanden die folgende Rezension hilfreich. It is A Jewel Von Martha This was my second fave book in the Landry series, and part of the reason my was because of the incredible secondary chacters like Abby and Louis. Both had the most painful lives, second of course to Ruby, and truly I fell in love with them. The whole atmosphere at Greenwood made me feel like I was there. Although I do not dislike Ruby I do however think that she was way too weak in comparison to the other heroines, I mean who would put up with all the things Giselle did? I also did not really like Beau, since he was a one dimensional arrogant sap. This is still a great read, that really pulled me in. Read it for the plot and secondary character depth.

Kurzbeschreibung Fate whisked Ruby from a simple life in the Louisiana Bayou. But her new riches bring more treachery than happiness...Even after a year as a Dumas, Ruby still wonders at the splendor of the family's New Orleans mansion, and rejoices in the love of the father she had never known. But true happiness in her new home is as elusive as d swamp mist. Ruby must carefully avoid a venomous enemy: her stepmother, Daphne, who cringes and sneers at her backwater upbringing. And Ruby's every effort to befriend her twin sister, Gisselle -- especially since Gisselle's crippling accident -- is answered with bitterness and vicious backstabbing. So idyllic Greenwood -- the exclusive girls' boarding school that her father has chosen for his daughters' senior year -- seems to promise some peace from the conniving Daphne, and maybe even a fresh start with Gisselle. But Ruby's kind isn't welcome at Greenwood, and the legendarily strict headmistress, Mrs. Ironwood, plots with her stepmother to make her life miserable. Meanwhile, Gisselle is on a mission to break every school rule, leaving Ruby to suffer the humiliating punishments. But Ruby doesn't lose hope -- until a terrible tragedy leaves her alone in a world that never really wanted her. Ruby will have to summon every last ounce of her Cajun strength to reclaim her home, her future, and the happiness she once knew....
