Von Anya Wylde : Penelope (A Madcap Regency Romance) (The Fairweather Sisters Book 1) (English Edition) before purchasing it in order to gage whether or not it would be worth my time, and all praised Penelope (A Madcap Regency Romance) (The Fairweather Sisters Book 1) (English Edition):

Kundenrezensionen Hilfreichste Kundenrezensionen 5 von 5 Kunden fanden die folgende Rezension hilfreich. Leicht und wirklich witzig geschrieben!! Von maMadame Ich bin durch Zufall ber dieses Buch gestolpert und habe wirklich

nicht viel erwartet, aber vorallem nicht, dass sie so witzig ist. Ich habe die ganze Zeit viel geschmunzelt, gelacht und mich vllig in der Geschichte verloren, so dass ich mich -ob der frhen Morgenstunde- endlich mal ins Bett begeben mute. Damit ich morgen (Sonntag) wieder ausgeruht mir die letzten Seiten ungestrt und wach zum Vergngen machen kann. Ja, die Geschichte ist seicht, ausfhrlich (um nich zu sagen mit kleinen Lngen) und auch etwas "albern" fuer eine Regency Geschichte, aber sie ist sehr unterhaltsam und das ist wirklich viel mehr wert. Schreibstil hnel Julia Quinn, Eloisa James, Suzanne Enoch oder auch Cathy Maxwell, natrlich kommt Any Wylde nicht an diese heran, noch nicht, aber mit der Zeit sehe ich da keine Schwierigkeiten fr eine Entwicklung auf gleicher Ebene in dem Breich der Historischen-Regency LiRos. Lohnt sich wirklich, wenn man die Art von Genre mag! Leicht, seicht und gut Laune garantiert fr nur 0,89 kann man nicht mekern, wirklich nicht! Teil 1. Penelope (Penelope Fairweather) Teil 2. Seeking Philbert Woodbead (Celine Fairweather) Teil 3. Dorothy (Dorothy Fairweather) 2 von 2 Kunden fanden die folgende Rezension hilfreich. Delicious and heart-warming Regency romp Von Max Schreck After having read the excerpt of 'Penelope' in Ms. Wylde's wonderful 'A Wicked Wager', I was eager for 'Penelope's' release. And when it was released I was not disappointed. This is a highly-entertaining Regency romp with a cast of entertaining and endearing characters. Penelope herself is a charming country pumpkin with the heart in the right place, who is awed but not overawed by her surroundings. She knows what's at stake and acts accordingly, but without any deviousness to her heart. The whole Blackthorne family are just likeable, even though at times I would have loved to kick the Duke in his butt for being such an obstinate fool, but that was also part of the fun of reading this book. I just loved the way the Duke's plans to get rid of Penelope backfired the front garden scence with Sir Henry was just delicious! The side characters were well-drawn and amusing as well. From the butler with the selective eyesight to Penelope's maiden to the Falcon, and not to forget Madame Bellafraunde. And last but not least, Lady Bathsheba who surely agrees with Sir Henry that you can't have enough undergarments. All in all, a read to lift your spirits and make you smile and also laugh out loud. Highly recommendable. 1 von 1 Kunden fanden die folgende Rezension hilfreich. don't read this in public! :) Von Hoener, Birgit "Leaving behind the rural charms of Finnshire, Miss Penelope Fairweather arrives in London with hope in her heart and a dream in her eye. The dowager, no less, has invited her for a season in London, where she will attempt to catch a husband. Thus begins our heroines tale as she attempts to tackle the London season with all her rustic finesse. Unfortunately her rustic finesse turns out to be as delicate as a fat bear trying to rip apart a honeycomb infested with buzzing bees. What follows is a series of misadventures, love affairs, moonlit balls, fancy clothes, fake moustaches, highwaymen, sneering beauties, pickpockets, and the wrath of a devilishly handsome duke." A very apt summary of the contents, and the way they were presented had me in stitches! This was one of the funniest books I have read in a long time. The dialogues between Penelope and the duke, Charles, her little accidents in society, everything came together to make this a very enjoyable, hilarious read. Definitely a recommendation from me, and I want more of this author!!
