Von Ann Mayburn : Peppermint Passion (English Edition) before purchasing it in order to gage whether or not it would be worth my time, and all praised Peppermint Passion (English Edition):

KundenrezensionenHilfreichste Kundenrezensionen0 von 0 Kunden fanden die folgende Rezension hilfreich. nice story but ...Von SweetyThe story developed as promised and is easy and fast to read, too fast. After about 35 pages the story came to an end (a little more than half the book). The last part (the other half) is a preview to Ivan's Captive

Submissive, a book I already read. So half the money was a waste.

Kurzbeschreibung-Warning, this book contains a young woman curious about BDSM and two sexy Dominants who can't wait to show her all the dark pleasures it has to offer, including bondage and chemical play, resulting in intense, screaming orgasms-Shyla has dreamt about, lusted after, and fallen in love with her to hot as hell bosses over the past year that she's waitressed for them at their exclusive BDSM club. With only a few months left before she graduates and earns her teaching degree, Shyla decides to make her move at the company Christmas Party. As if that wasn't nerve racking enough, her plans to ensnare her Dominant bosses' attention revolves around them bidding on her at the charity submissive auction. Trent and Jack have been fighting a losing battle to keep their hands off of their beautiful and innocent employee, Shyla, until she graduates. Her gentle spirit and genuinely good heart call to them almost as much as her obvious submissive inclinations. When she surprises them by arriving at their Christmas party dressed like a wet fetish dream, and they learn she plans on being part of the submissive auction, the men quickly decide that the time to show Shyla who she belongs to, and who truly loves, her has arrived.***This is a re-release of a previously published book. While it has been revised, no major plot changes were made from the original version.***Kurzbeschreibung-Warning, this book contains a young woman curious about BDSM and two sexy Dominants who can't wait to show her all the dark pleasures it has to offer, including bondage and chemical play, resulting in intense, screaming orgasms-Shyla has dreamt about, lusted after, and fallen in love with her to hot as hell bosses over the past year that she's waitressed for them at their exclusive BDSM club.
