Von Jayne Ann Krentz : Perfect Partners (English Edition) before purchasing it in order to gage whether or not it would be worth my time, and all praised Perfect Partners (English Edition):

KundenrezensionenHilfreichste Kundenrezensionen2 von 2 Kunden fanden die folgende Rezension hilfreich. A very BIG disappointmentVon Ein KundeJAK books are, imho, one of the best in the market right now.Her stories are spun

from a truly talented mind, with determined yet understanding heroines and dark brooding heroes, and laced with humour and wit that never fail to bring smiles and laughter. PERFECT PARTNERS however, sadly lacked this winning JAK formula. It comes across as an absolutely frustrating novel, with a bossy and oftentimes irritating heroine, and a narrow-minded henpecked hero. Definitely the worst JAK book around. 1 von 1 Kunden fanden die folgende Rezension hilfreich. Are we in the dark ages? Von Ein Kunde I found this book to be somewhat frustrating and "caveman-ish". I don't understand why the key characters were addressing each other so formally (Mr. Blackstone, Ms. Thornquist...) After all, they are the heads of the company! First names are acceptable in the office these days! It got to the point of annoyance for me! And the fiancée, Philip -- what an idiot! He completely ignored Letty's wishes to let her run the company the way she wished to. Joel Blackstone is a caveman, looking out for himself. These people are sappy. I did like the mystery twist in the story... I'm hesitant to read any more JAK books... 0 von 0 Kunden fanden die folgende Rezension hilfreich. Loved it! Von Ein Kunde Joel and Letty were witty and wonderful. This book, like all Ms. Krentz's, has a mix of romance, humor, and family. If you like witty dialog and well-drawn characters, you will love this book. Almost as good as her book Wildest Dreams, which is #1 in my mind and heart.

Kurzbeschreibung A Jayne Ann Krentz Classic Joel Blackstone spent ten years as a CEO building Thornquist Gear from a tiny local shop into a major player in the camping and sporting goods marketplace. Joel's reward for his hard work was old man Thornquist's promise to sell the shop to him within a year. Unfortunately for Joel, Thornquist dropped dead and bequeathed his empire to a grand-niece in the midwest. A minor adjustment to Joel's plan--he would just offer to buy the company from the heir. Leticia Thornquist was deeply saddened by her great-uncle's death. She saw his bequest of Thornquist Gear as an opportunity to change her life. On the flight to his funeral, she decided to give up her job as a university librarian, move to Seattle, and take over the company. Only one thing stands in her way--Joel Blackstone. Will Joel and Letty face off in a battle for control of Thornquist Gear or will they find they are perfect partners?

Synopsis When librarian Letty's rich Uncle Charlie leaves her a major sports-goods business, Joel Blackstone grudgingly sets out to show her the ropes. But the sensual curves under Letty's navy-blue suit and the unabashed desire in her innocent eyes leave him longing for a more personal kind of merger.
