KundenrezensionenHilfreichste Kundenrezensionen0 von 0 Kunden fanden die folgende Rezension hilfreich. Gute ErgänzungVon LaudinhoPerfect Shadow ist eine schne Ergänzung fr die Night Angel-Trilogie. Ich bin mir aber nicht sicher, wie gut es sich als Einfhrung fr absolute Neulinge eignen wrde, aber ansonsten ist es eine kurzweilige Geschichte, die die Geschichte um Durzo Blint ein wenig vertieft.0 von 0 Kunden fanden die folgende Rezension hilfreich. If you didn't get enough of Durzo Blint...Von Rhodos...this will only make you thirstier. But it's worth it. Just a little longer, just a little more. Administer yourself this dose of Durzo to draw out your Night Angel withdrawal and forget about rehab, just for a while.0 von 0 Kunden fanden die folgende Rezension hilfreich. 4Von Dr Dieter

Wernervery creative and a new line of thought. even though a book in a series, it can easily stand alone

KurzbeschreibungDiscover the origins of Durzo Blint in this original novella set in the world of Brent Weeks' New York Times bestselling Night Angel trilogy. "I got a bit of prophecy," the old assassin said. "Not enough to be useful, you know. Just glimpses. My wife dead, things like that to keep me up late at night. I had this vision that I was going to be killed by forty men, all at once. But now that you're here, I see they're all you. Durzo Blint." Durzo Blint? Gaelan had never even heard the name.***Gaelan Starfire is a farmer, happy to be a husband and a father; a careful, quiet, simple man. He's also an immortal, peerless in the arts of war. Over the centuries, he's worn many faces to hide his gift, but he is a man ill-fit for obscurity, and all too often he's become a hero, his very names passing into legend: Acaelus Thorne, Yric the Black, Hrothan Steelbender, Tal Drakkan, Rebus Nimble. But when Gaelan must take a job hunting down the world's finest assassins for the beautiful courtesan-and-crimelord Gwinvere Kirena, what he finds may destroy everything he's ever believed in. Word count: ~17,000 Pressestimmen "Brent Weeks has a style and immediacy of detail that pulls the reader relentlessly into his story. He doesn't allow you to look away." Robin Hobb "Brent Weeks is so good it's starting to tick me off." Peter V. Brett, New York Times bestselling author of The Desert Spear on The Night Angel Trilogy "The Lightbringer series is great fun. Nobody does break-neck pacing and amazingly-executed plot twists like Brent Weeks." Brian McClellan, author of Promise of Blood "His plot feels like an orchestrated chess match between genius grandmasters." Publishers Weekly on The Broken Eye "The Blinding Knife is a wonderful work of high fantasy with engaging characters facing the perfect antagonists, set in a creatively-wrought and increasingly chaotic world brimful of imaginative magic and interesting politics. Weeks holds fast to the traditions of his genre while adding a compelling new flavor." The Ranting Dragon "One of the best epic fantasies I've ever read." Staffer's Book on The Blinding Knife "Weeks manages to ring new tunes on...old bells, letting a deep background slowly reveal its secrets and presenting his characters in a realistically flawed and human way." Publishers Weekly on The Black Prism "...A solid, entertaining yarn." The Onion A.V. Club on The Black Prism "One of the best Fantasy books of 2012!"
