A superb Christie title Von Ein Kunde This is one of Agatha Christie's most ingenious and classic murder mysteries. The confidence trick she wields in this book is both startling and imaginative, and only a very experienced Christie reader would have any suspicion of what the authoress is up to. A very enjoyable, lively Christie book, and one which surely

belongs among her finest. 1 von 1 Kunden fanden die folgende Rezension hilfreich. Interesting, but there are better books. Von Ein Kunde This book did not easily catch my attention in the beginning. However, after a few chapters, I finally caught on. Even though it may be rather easy to understand, it's not one to put you on the edge of your chair. I am not saying that it is a bad book, but I have read better ones. 1 von 1 Kunden fanden die folgende Rezension hilfreich. Unexpected ending! Von Tania A book full of surprises and unexpected turns of the story. One can't help trying to guess who the culprit is, Sometimes I was close, but this time I was looking the wrong way altogether. A book well worth reading.
