KundenrezensionenHilfreichste Kundenrezensionen0 von 0 Kunden fanden die folgende Rezension hilfreich. delightful new mysteryVon Ein KundeEvery six weeks, publishing maven Bertha Kravitz comes to the Cut'N Dye Beauty Salon to receive a permanent from the shop's owner Marla Shore. The cantankerous Berthe is a demanding individual who black mails the beautician into providing anything she wants. Bertha makes Marla open the shop two hours early. Marla severs her client a cup of coffee with her special cream before going into the backroom for a moment. When Marla hears a noise out front, she races to the shop area only to find her nemesis dead. When cyanide is found in the coffee, the police turn to Marla as the prime suspect. The beauty parlor operator had the means, and opportunity, but the law enforcement officials have not yet discovered Marla's motive. The detective heading up the investigation wants to date Marla even as he expects to arrest the woman. To clear her name and to help him decide on the social side of his dilemma, Marla begins her own investigation to uncover a killer that will gladly add her to the count. In her debut mystery, Nancy Cohen leaves the impression that she is a veteran writer. The heroine is an everywoman that enables most readers to easily identify with her. The law enforcement official is a huggable hunk that much of the audience will want to adopt as their own. The sexual sparks between them add to the overall complexity of the characters as well as balancing the who-done-it aspects of the story line with a human element. PERMED TO DEATH is an entertaining amateur sleuth tale that sub-genre fans will fully enjoy. Harriet Klausner0 von 0 Kunden fanden die folgende Rezension hilfreich. A Promising Debut! Von Judy J. Cater Permed to Death is the first of Nancy Cohen's Bad Hair Day Mystery titles. Marla Shore, owner of the Cut 'N Dye hair salon, leaves difficult client Bertha Kravitz at the shampoo bowl with a cup of coffee as her perm rods set. Suddenly, Bertha is dead, the police are everywhere and Marla is in trouble. Old secrets, new business problems and a vindictive former husband add to Marla's problems as she finds herself the target of a creative killer. Marla is also attracted to the detective assigned to the case, yet another complication in her hectic life. So many people had reason to want Bertha dead and its hard to stop with a single murder. Nancy Cohen is a former nurse and her medial training, along with a great deal of hair salon research, add to the flavor of this first mystery. I'm looking forward to getting to know Marla better! 0 von 0 Kunden fanden die folgende Rezension hilfreich. A Promising Debut! Von Judy J. KurzbeschreibungSassy salon owner Marla Shore is giving grumpy Mrs. Kravitz a perm when her client dies in the shampoo chair. If that isnt enough to give her a bad hair day, handsome Detective Vail suspects Marla of poisoning the womans coffee creamer. Figuring shed better expose the real killer before the next victim frizzes out, Marla sets on the trail of a wave of wacky suspects. Her theory regarding whodunit gels only after she looks for the culprit closer to home. A terrific mystery debut for Nancy Cohen. Marla the beautician is a delight! Tamar Myers, author of the Pennsylvania Dutch Mysteries. Permed to Death was originally published by Kensington. This Authors Edition has been revised and updated with added bonus materials. From Library Journal When a rather nasty woman dies of poisoning in Marla Shore's Palm Harbor beauty shop, police suspect Marla, the only other person in the shop. Marla, who doesn't want the authorities to find out that the victim was blackmailing her, takes a defensive stance and falls for the attractive detective in charge. She conducts her own investigation, questioning the dead woman's estranged son, niece/heir, greedy business partner, and others. While not without redeeming qualities, this first effort suffers from inconsistent characterization and a few frayed story lines. An optional purchase for larger collections.
