and a little disappointed at the same time Von Mrs. Sunday I have devoured all the Lily Harper books and have been so excited about the release of the fourth book, especially since it was announced to be released sooner than it actually had been. To be honest I'd still say that the Lily series is my favourite of all of H.P.'s books, and I have read nearly all of Jolie, Dulcie and Bryn, but the ending of the fourth had left me rather disappointed. I don't want to spoiler anybody who hasn't read it yet so I won't mention anything in particular I just wish the ending would have been different. I do love Lily and Tallis and have always hoped for them but how that finally happened has truly bothered me. I will still read the next books of the series though, cause like I said, it's my favourite of all.

Kurzbeschreibung New York Times and USA Today Bestselling Author, HP Mallory, brings you The Lily Harper Series! H.P. Mallory has a quick wit, a fresh voice, and a clever way with words. If you like Charlaine Harris, you'll love H.P. Mallory! ~ Larissa Ione, New York Times Bestselling Author If you like your books steamy (this is an Epic Fantasy Romance) and you aren't easily offended by potty-mouthed, crass guardian angels, read on! PERSEPHONE is the fourth book in the Lily Harper Paranormal Adventure Series! The first book is BETTER OFF DEAD The fourth installment in the Lily Harper series will see Lily on yet another mission deeper into the Underground City. More specifically, Lily will travel to the dreaded City of Dis where heretics and sinners remain imprisoned in their crypts, burning for all eternity. Here, Lily will find herself battling real and imagined nemeses. Luckily for Lily, she's accompanied by Bill, her foul mouthed guardian angel, and Tallis Black, the hard-headed Bladesmith. Even though Tallis is an expert at keeping Lily safe, he isn't exactly an expert when it comes to matters of the heart. Where Tallis is concerned, Lily is just as frustrated as she always has been. But if Lily is anything, it's determined which means she won't give up on the evasive Bladesmith so easily. Their journey will bring Lily and Tallis closer and allow Lily a rare glimpse into her enigmatic companion. However, it will also pit them against hellish creatures and obstacles which could tear them apart. Literally. Then there's the enigma that is the Master of the Underground City, Alaire. Once Lily lives up to her end of the agreement between them, she will find herself facing her greatest battle yet, her own struggle between light and dark.... <http://www.youtube.com/embed/cpDIXOdAv7s> What are readers saying about Persephone? I think this is the best book so far in this series! It's got Bill's crazy comments, suspense, all ending in the best cliff hanger possible. I read this book in one sitting and can't wait until the next book. --Kristy This book is so very deliciously good. I just can't even ..... Seriously!!! Lily is my new favorite heroin hands down. She is relatable, funny, kick ass, and real!! Bill of course had me snort laughing out loud, and Tallis you are as beautifully complicated as ever. The mysteries unfolding in this book made it equally exciting and frustrating in the best way. Thank you H.P. Mallory for once again writing an escape from the mundane, chalk full of intrigue and wicked naughtiness !! --Carter ALSO BY HP MALLORY: THE JOLIE WILKINS SERIES: Fire Burn and Cauldron Bubble Toil and Trouble Be Witch'd (Novella) Witchful Thinking The Witch Is Back Something Witchy This Way Comes THE BRYN AND SINJIN SERIES: Spinoff to the Jolie Wilkins Series Sinjin The Scent Blood Lust (Novella) THE DULCIE ONEIL SERIES: To Kill A Warlock A Tale Of Two Goblins Great Expectations Wuthering Frights Malice In Wonderland For Whom The Spell Tolls Eleven Snipers Sniping (Short Story) A Midsummer Night's Scream Grave New World THE LILY HARPER SERIES: Better Off Dead The Underground City To Hell And Back Persephone The Bladesmith (Novella) THE PEYTON CLARK SERIES: Ghouls Rush In Once Haunted, Twice Shy Big Easy Murder (Novella) ICE WOLF (Co-authored with JR RAIN) If you enjoy reading HP's books, add yourself to her email list to keep on top of new releases, contests and other fun stuff!
