Von Kaitlin Bevis : Persephone: The Persephone Trilogy, Book 1 (The Daughters of Zeus) (English Edition) before purchasing it in order to gage whether or not it would be worth my time, and all praised Persephone: The Persephone Trilogy, Book 1 (The Daughters of Zeus) (English Edition):

KundenrezensionenHilfreichste Kundenrezensionen0 von 0 Kunden fanden die folgende Rezension hilfreich. PersephoneVon Kimberley JonesFirst of all I would like to thank the author for sending me a copy of this book in

ebook format in exchange for an honest review. (Woah, what a long sentence!) I love the story of Hades and Persephone so I was eager to read a modern retelling of this story. I really liked this book. The characters were interesting and their actions understandable. I personally liked Thanatos the most. I liked the setting and the whole concept of a "friendly" underworld since that stayed true to the original Greek concept of the afterlife. Which brings us to another pro point for this book: The mythology. The story had its unique touch while always staying true to the original myth of Persephone. (I especially liked what the author did with the whole Orpheus myth, since I always thought of this one as my favourite) The romance though felt a little rushed and I could not really understand the (view spoiler). The ending itself was maybe a little too much romance for me, but that is just a subjective thought and may be (or definitely is) because of the fact that I am not that much into romance stories. Over all the writing style was readable and the pace very good. I just sometimes felt that I "outgrew" the whole genre which made me read slower. I am really sorry that this book was the one that made me figure this out, since I would have really enjoyed and loved it had I read it 2 years ago. But that is definitely not the fault of the book! The book was really good and had a great story. Oh and one thing that was really great about this book? That twist at the end? I definitely did not see that coming and it was a great cliffhanger! A recommendation for all YA paranormal romance fans out there!

Kurzbeschreibung The Daughters of Zeus, Book One One day Persephone is an ordinary high school junior working at her mom's flower shop in Athens, Georgia. The next she's fighting off Boreas, the brutal god of Winter, and learning that she's a bonafide goddess, rare daughter of the now-dead Zeus. Her goddess mom whisks her off to the Underworld to hide until Spring. There she finds herself under the protection of handsome Hades, the god of the dead, and she's automatically married to him. It's the only way he can keep her safe. Older, wiser, and far more powerful than she, Hades isn't interested in becoming her lover, at least not anytime soon. But every time he rescues her from another of Boreas's schemes, they fall in love a little more. Will Hades ever admit his feelings for her? Can she escape the grasp of the god of Winter's minions? The Underworld is a very nice place, but is it worth giving up her life in the realm of the living? Her goddess powers are developing some serious, kick-butt potential. She's going to fight back. Kaitlin Bevis spent her childhood curled up with a book and a pen. If the ending didn't agree with her, she rewrote it. Because she's always wanted to be a writer, she spent high school and college learning everything she could to achieve that goal. After graduating college with a BFA and Masters in English, Kaitlin went on to write The Daughters of Zeus series.
