Von Juliet Archer : Persuade Me (Darcy Friends Book 2) (English Edition) before purchasing it in order to gage whether or not it would be worth my time, and all praised Persuade Me (Darcy Friends Book 2) (English Edition):

KundenrezensionenHilfreichste Kundenrezensionen1 von 1 Kunden fanden die folgende Rezension hilfreich. GroartigVon K. SchaedlJuliet Archer hat einen sehr angenehm Schreibstil, der das Lesen zur Freude macht, auch fr Leser, die Englisch nicht zur Muttersprache haben.Jane Austens "Persuasion" ist ein groartiges Buch ber die Beziehung zwischen Anne Eliot und Captain Wentworth. Anne wurde von ihrer Taufpatin Jahre zuvor berzeugt

Wentworth, damals noch nicht Captain, nicht zu heiraten, da er unter ihrem Stand sei (kurzgefasst). Wie sich ihre Beziehung nach dem Wiedersehen entwickelt, hat Juliet Archer wunderbar geschafft in die heutige Zeit zu transferieren. Sie hat es die Charaktereigenschaften so treffend benommen, dass der Link zu Jane Austens Werk immer sichtbar bleibt. So kommt, z.B., jede Handlung aus dem Original auch in *Persuade me* an die heutige Zeit adaptiert vor. Etwas, das nicht immer geschafft wird - es ist schade, wenn man bei einer Modernisierung eines Werkes wie diesem Handlungsstrang vermisst, da sie nicht "übersetzt" wurde. Da sind hier nicht der Fall! 5 Sterne, sehr zu empfehlen!

Kurzbeschreibung When do you let your heart rule your head? When it comes to love, Anna Elliot is stuck in the past. No one can compare to Rick Wentworth, the man she gave up ten years ago at the insistence of her disapproving family. What if she missed her only chance for real happiness? Since Anna broke his heart, Rick has moved on or so he thinks. Out in Australia, he's worked hard to build a successful career and a solid wall around his feelings. The words forgive and forget aren't in Rick's vocabulary. The word regret is definitely in Anna's. So, when they meet again on his book tour of England, it's an opportunity for closure. But memories intrude the pure sensuality of what they once shared, the pain of parting. And she has to deal with another man from her past, while his celebrity status makes him the focus of unwanted attention. With Anna's image-obsessed family still ready to interfere and Rick poised to return to Australia, can she persuade him to risk his heart again? This contemporary re-telling of Jane Austen's last completed novel is the second book in Juliet Archer's *Darcy Friends* series, offering fresh insights into the hearts and minds of Austen's irresistible heroes. What people are saying about *PERSUADE ME*: I was surprised how much I was gripped by this book so much so I finished it in under a day! I think that speaks for itself when asking would I recommend this book. Rea Loves Books, Top 500 or I read *Persuade Me* straight through in one sitting. I hadn't meant to but once I started I didn't want to put it down, even though I knew exactly how the story would end. I eventually finished it around 5am on Monday. That's the sign of a good read in my book. Kathryn Eastman, *Vine Voice* An excellent version of *Persuasion*. The author captures perfectly the mood and humor of the original while telling a modern story. 5 stars. Carla, *Love Romance Passion* Archer does a wonderful job adapting *Persuasion* for a contemporary audience while staying true to Austen's story of second chances. Her ability to add a modern flair to every event that transpires in *Persuasion* exemplifies the timelessness of Austen's novels. Anna, *Austen Blog* Pressestimmen "Persuade Me" by Juliet Archer is the second book in the author's series about *Darcy and Friends*. In my opinion, this second is very much better. I like the way the author develops characters and weaves the story, set in England and with an Australian lead character around whom the story is built. The book is an easy read and will hold your interest (especially romance lovers) from the first and carry you through to the last page as the doomed love affair struggles along. A perfect lazy day read! "Once I started "Persuade Me", I had a hard time putting it down. I loved Archer's easy writing style and her appreciation of Austen's humor when it comes to exaggerated secondary characters, especially in transforming Anne Elliot's hypochondriac sister, Mary Musgrove, into Anna's alcoholic sister, Mona, and Mrs. Clay into Cleopatra, a masseuse with a phony French accent. I also enjoyed how she lets readers into the heads of both Anna and Rick, though knowing the innermost thoughts of both lessened the excitement a little bit. . . Archer does a wonderful job adapting *Persuasion* for a contemporary audience while staying true to Austen's story of second chances. Her ability to add a modern flair to every event that transpires in *Persuasion* exemplifies the timelessness of Austen's novels." Short-listed for the 2011 Festival of Romance Best Romantic Read Award I recommend "Persuade Me" and "The Importance of Being Emma" to anyone who enjoys contemporary Austen-Inspired literature! I greatly admire Ms. Archer's work and cannot wait for her next installment in this series! I wonder who the hero will be: Mr. Ferrars, Mr. Bertram, Mr. Tilney, or Mr. Darcy? "It was intriguing to see how Juliet Archer made those familiar events take place in such a different context, for example. She often surprised me and her smooth, involving narration kept me interested all the time." "Once I started "Persuade Me," I had a hard time putting it down.
