**Von Leigh Greenwood : Pete (The Cowboys) (English Edition)** before purchasing it in order to gage whether or not it would be worth my time, and all praised Pete (The Cowboys) (English Edition):

KundenrezensionenHilfreichste Kundenrezensionen0 von 0 Kunden fanden die folgende Rezension hilfreich. Love and caring, not just lustVon Kimberly BorrowdaleOf course I'd heard the praises of Leigh Greenwood's novels, but since I'm usually not very big on Westerns, I hadn't tried any for myself, until PETE was put in front of me. Well! I'll be trying more of Mr. Greenwood's works now!Pete wakes up lying naked on the ground in Wyoming Territory. There is a bullet wound grazing his head, and the last thing he remembers is two men asking if they may join him at his

campsite. Anne married her childhood sweetheart, Peter, by proxy three months ago--but since he hasn't yet arrived from his home back East, other men are trying to take Anne's ranch away from her. I was pulled into the novel immediately, wondering about Pete's situation and caring for both him and Anne right away. Mr. Greenwood is a master of storytelling, so I'll let him do the rest of the telling. Be assured that the plot is intriguing and finely crafted from start to finish; the Western flavor is done to perfection; and both hero and heroine learn and grow in the warmth of their friendship and mutual respect. Even if you, like me, don't usually like Westerns, if you enjoy romance with caring and not just lust, you'll enjoy PETE. Kimberly Borrowdale Under the Covers Book Reviews 0 von 0 Kunden fanden die folgende Rezension hilfreich. THE COWBOYS; PETE Von LeClerc B. Keller I LOVE MS. GREENWOOD'S SERIES. I READ ALL THE BRIDE BOOKS AND REALLY ENJOYED EACH OF THEM. I JUST STARTED THE COWBOYS. I HAVE ALREADY READ SEAN, WARD, AND PETE. I FOUND SO FAR THAT PETE IS MY FAVORITE. THERE WAS A LOT OF EXCITING AND TENDER MOMENTS. PETE IS PRETTY MUCH A NOBLE GUY, TRYING TO SAVE ANNE FROM ALL THE MEN TRYING TO TAKE HER RANCH AWAY. I LIKED THE FACT PETE WAS TRYING NOT TO FALL IN LOVE WITH ANNE, AND HOW SHE LOVED HIM FROM THE START. I COULD GO ON BUT YOU MUST READ PETE YOURSELF. I COULDN'T PUT THE BOOK DOWN. THIS IS ONE OF MS. GREENWOOD'S BEST. I AM LOOKING FORWARD TO THE REST OF THE COWBOY SERIES.

Kurzbeschreibung I've been told that my heroes ought to be rougher, more dangerous, more brooding, but that goes against the grain of my Southern upbringing. Southern men can be total bastards to each other, but you treat a woman special. After all, she is, or will be, somebody's mamma, and mothers are sacred to a true Southerner. I guess that's a little bit how Pete Jernigan, the hero of The Cowboys: PETE, feels about Anne Thompson. That's what causes him to assume the identity of a dead man, to pretend to be her husband, so he can save her from a forced marriage to a savage old womanizer. Only trouble is, once he's told the lie, he's stuck with it. If he tells the truth, everybody loses. Then a rival is murdered right under his own roof and Pete is the prime suspect. Pete knows he ought to tell Anne the truth and leave before she falls in love with him. He has to leave before he runs out of excuses not to consummate their marriage. But he can't leave without putting her in danger, giving up his search for the money stolen from him (the reason that brought him to the ranch in the first place), and practically confessing to the murder of the man he's impersonating. It becomes even more complicated when Pete finds himself falling in love with Anne. His honor demands one thing, his body and emotions the opposite. No matter which he chooses, he loses. Pete's not your typical, all-conquering hero. Pete acts and speaks before he thinks which has gotten him in trouble his whole life. His adopted family considered him something of a burden because he used to be little and they were always having to bail him out of trouble his mouth got him into. But he's grown up now, and Anne thinks he's perfect, that he can fix any difficulty, figure out any problem. Pete tries mightily to live up to this flattering picture of himself. And he does pretty well until he falls into the clutches of the real villain. Then it's time for Anne to discover she's not so helpless as she thought. s of Pete "Leigh Greenwood never disappoints. The writing is always fresh and passionate, making us turn each page with eager appreciation. Capturing the time with natural ease, telling the stories like an old cook sitting around a cozy campfire, describing the people as if they were former acquaintances, you have to wonder if this writer isn't a cowboy reincarnated. And you can't wait until the next story begins." - Kat Bragg, CompuServe Romance s "I just finished PETE and I didn't think you could top yourself, but you did. PETE was the best." - Barbara Cumnock, BELL'S BOOKS "Leigh Greenwood is a master. This man has taken a mistaken identity issue and turned it around into a doozy of a love story. With suspense, melodrama, and good old fashion romance he leads us into the lives of yet another orphan turned family man. Pete is as lovable as all the other Cowboys and has his hands full with his needy child bride turned spitfire woman. The back up cast is among Mr. Greenwood's finest, from the most annoying busybody to the nastiest villain. No one writes like Leigh Greenwood. I've said it before, I'll say it again. He is the greatest. The Cowboys: PETE is one of his very best. The unique story idea and dazzling cast are extraordinary as is Mr. Greenwood's way with words. Clean off a spot on your bookshelf. This is another keeper!" - Karen L. Williams "Leigh Greenwood is back with another heartwarming book in The Cowboys series. Like his cowboy brothers, Pete is a wonderful hero. Anne is a refreshing delight as Pete's innocent young bride. The author has crafted a real winner with PETE and readers will be happy to add this cowboy to their collection. When it comes to romance, Leigh Greenwood is a name to remember." - Kristina Wright, The Literary Times Kurzbeschreibung I've been told that my heroes ought to be rougher, more dangerous, more brooding, but that goes against the grain of my Southern upbringing.
